

# LITERARY TERMS DIAGNOSTIC ANSWERS KEY

## [Download Complete File](#)

**What is the point of view when a voice outside of the work tells the story?**

Third Person Point of View. In third-person narration, the narrator exists outside the events of the story, and relates the actions of the characters by referring to their names or by the third-person pronouns he, she, or they.

**When a character tells the story and the reader knows only what this character feels and sees?** Point of view is when a character tells the story, and the reader knows only what this character feels and sees. The use of clues or hints to suggest or predict events that will occur later in the story.

**What are literary terms?** Literary terms are the techniques and devices used by writers to create meaning in their works. Literary devices are any technique used to create meaning or emphasise a particular idea, theme, or object in a story. Literary terms are used to create figurative language and plot devices.

**How to identify literary devices in writing?**

**What type of point of view uses a character outside the narration to tell the story?** In third-person point of view, the narrator is external to the story and doesn't directly address the reader. They depict characters' actions using names and third-person pronouns like "he" or "she."

**When a story is told using the first person point of view, the reader knows \_\_\_\_\_.?** But there is a limit to first-person point of view: the reader only knows what the narrator knows, and only experiences what they experience. They are shut out from other characters.

**What is it called when a character is unaware of something the reader knows?**

Dramatic irony is a literary device used in novels, plays, and films. It occurs when the audience possesses information that a character in a story is unaware of.

**What is it called when an author tells the reader exactly what a character is**

**like?** Explicit or direct characterization: The writer tells the reader what a character is like and talks about their personality or character traits as if they're giving a physical description, either via the narrator, another character, or the character themselves.

**What is it called when a character tells the story exactly as they are**

**remembering it?** Retrospective first-person narration In Jane Eyre, for example, a grown-up Jane tells us her life story, starting with her unhappy childhood. She is remembering the events of her life, rather than experiencing them as we read.

**What is a simple story with deeper meaning called?**

The Oxford English Dictionary defines “allegory” as a “story, picture, or other piece of art that uses symbols to convey a hidden or ulterior meaning, typically a moral or political one.” In its most simple and concise definition, an allegory is when a piece of visual or narrative media uses one thing to “stand in for” ...

**What is it called when an author is working to make their work appear or feel**

**true?** Verisimilitude refers to the appearance or feeling of truth within a work of literature, where the author strives to make the narrative seem realistic and believable to the audience. It enhances the reader's immersion in the story by creating a sense of authenticity.

**What is the term used to describe the perspective and intended values that**

**govern the whole work, including the narrator?** Point of View: The perspective (visual, interpretive, bias, etc.) a text takes when presenting its plot and narrative.

**What is a metaphor in literary terms?**

A metaphor is a figure of speech that implicitly compares two unrelated things, typically by stating that one thing is another (e.g., “that chef is a magician”). Metaphors can be used to create vivid imagery, exaggerate a characteristic or action, or express a complex idea.

**What is the literary term for comparison?**

Metaphors, also known as direct comparisons, are one of the most common literary devices. A metaphor is a

statement in which two objects, often unrelated, are compared to each other. Example of metaphor: This tree is the god of the forest. Obviously, the tree is not a god—it is, in fact, a tree.

**What are the five main types of figurative language?** Figurative language is a form of expression that uses nonliteral meanings to convey a more abstract meaning or message. There are many types, including: similes, metaphors, idioms, hyperboles, and personification.

**What is the first-person in grammar?** First person includes the speaker (English: I, we), second person is the person or people spoken to (English: your or you), and third person includes all that are not listed above (English: he, she, it, they). It also frequently affects verbs and sometimes nouns or possessive relationships.

**What is the best pov for a novel?** 3rd person limited tends to be the most fundamental of the POV's in modern fiction. It's easy to write, it's good at developing a connection to the POV character, it's good for information development, and it's decent for writing with a distinct voice.

**Can you change the pov in a novel?** Two: When you change perspectives, you must make sure the reader knows which character she's viewing the story through—not just sometimes, but all the time. Changing perspective at chapter or section breaks can help with this clarity, but it is possible to change within paragraphs and still maintain clarity.

**Which narrative perspective is often used in novels?** Third Person Point of View: Summary Most third person novels are written with multiple perspectives, even if (as in Harry Potter) the point of view stays mostly with a single central character.

**Which of the following is a characteristic of an unreliable narrator?** Rather an unreliable narrator is one who tells lies, conceals information, misjudges with respect to the narrative audience – that is, one whose statements are untrue not by the standards of the real world or of the authorial audience but by the standards of his own narrative audience. ...

**How is a short story the same and different from a novel?** Short stories usually tell one story and have a single plot. Whereas the main narrative of a novel should

always be complemented by various subplots, which develop as new characters and stories join the action. Both novels and short stories need a plot.

**What is it called when a character speaks directly to the reader?** A soliloquy is when a character in a dramatic work speaks directly to the audience, expressing their inner thoughts. A soliloquy is a literary device that allows audience members to know what a character thinks or believes, providing an audience a way to better understand a character.

**What is it called when someone has a delusion that they are a fictional character?** Main character syndrome is when somebody presents, or imagines, themselves as the lead in a sort of fictional version of their life.

**What is the term for when an author reveals a character through their personality appearance words actions and effect on others?** Characterization is the process by which the writer reveals the personality of a character. Characterization is revealed through direct characterization and indirect characterization. Direct Characterization tells the audience what the personality of the character is.

**What is a point of view in which the narrator is outside the story and knows the thoughts of only one character?** Students also viewed Third person limited point of view is a method of storytelling in which the narrator knows only the thoughts and feelings of a single character, while other characters are presented only externally.

**What point of view is used to narrate the story?** The narration of a story or novel can be told in three main ways: first person, second person, and third person. To determine point of view, ask, 'Who is doing the talking?' If the narrator refers to him or herself as I or me, you'll know the story is being told from a first person point of view.

**What is the point of view of a voice poem?** There is no rhyme in a voice and it a free verse poem. Pat Mora's "A Voice" talks about a child that is inspired by their mother's journey of becoming an American citizen. It is structured in quatrain stanzas and written in second person. It is written in free verse.

**What is the eye or narrative voice through which you tell a story?** Point of view is the “eye” or narrative voice through which you tell a story.

**Which option describes the first-person point of view in a narrative text?** In a first-person point of view in a narrative text: 1. The narrator is a character in the story and refers to themselves as "I" or "we". 2. The reader sees events unfold through the narrator's perspective, thoughts, and feelings.

**When a narrator tells events from the perspective of one character in the story?** First-Person Narrator The story's events are all told from this one character's perspective. Therefore, a first-person narrator has a limited point of view. This means that the narrator only views events from their own perspective and does not know what other characters are thinking or doing.

**Which point of view presents the thoughts and feelings of only one character?** In third person limited point of view, the reader's insight is confined to the thoughts, feelings and knowledge of one character as they follow them closely throughout the narrative.

**What is the first person in grammar?** First person includes the speaker (English: I, we), second person is the person or people spoken to (English: your or you), and third person includes all that are not listed above (English: he, she, it, they). It also frequently affects verbs and sometimes nouns or possessive relationships.

**What is the subject of the first person narrative?** First person narrative is a point of view (who is telling a story) where the story is narrated by one character at a time. This character may be speaking about him or herself or sharing events that he or she is experiencing.

**Which element of fiction involves the sequence of events in a story?** Plot, the action element in fiction, is the arrangement of events that make up a story. Many fictional plots turn on a conflict, or struggle between opposing forces, that is usually resolved by the end of the story.

**What is the point of view when there is a narrator?** Narrative point of view: The position of the narrator in relation to the story. Simply consider who your narrator is and where they are standing. If they are a character in the story, then that is 1st-

person. If they are describing the story about someone else, then that is 3rd-person.

**What is a grouped set of lines in a poem called?** In short, a stanza is a distinct group of lines in a poem. A verse is any metrical unit of poetry—whether a single line or the entire poem—and can also be used to differentiate between poetry and prose.

**What is narrative perspective in a poem?** A narrative perspective is the vantage point from which events of a story are filtered and then relayed to an audience. The different types of narrative perspective include first-person (I), second-person (you), third-person limited (he / she / they), third-person omniscient (he / she / they), and multiple.

**What is a limited point of view?** The third person limited point of view is where the narrator tells the story from the perspective of a single protagonist, referring to them by name or using a third person pronoun such as they/she/he. The narrator can only see inside the mind of the protagonist.

**What is a narrative perspective?** A narrative perspective is the vantage point from which events of a story are filtered and then relayed to an audience. The different types of narrative perspective include first-person (I), second-person (you), third-person limited (he / she / they), third-person omniscient (he / she / they), and multiple.

**What is narrative text structure?** Narrative structure refers to the way in which a story is organized and presented to the reader or audience. It includes the elements of plot, character, setting, and theme, as well as the techniques and devices used by the author to convey these elements.

**How to make a request letter for a salary certificate?** I am writing to request a salary certificate for the purpose of [mention the specific reason, such as a loan application or visa processing]. As an employee of [Company Name], I kindly request your assistance in providing me with a salary certificate covering the period from [start date] to [end date].

**What is a salary certificate in the UAE?** A salary certificate is proof of your income as well as your salary entitlement that your current employer issues. This document is not issued to any specific organization and neither does it have a purpose

specified on it. This means you can use it for different purposes and across different providers.

### **How to attest a salary certificate?**

**What is a salary letter for bank in UAE?** To get a salary transfer letter from your employer, follow these steps: Contact HR Department: Ask the HR department for the letter. Provide Required Information: Give any needed details, such as the bank's name and address. Follow-up: If there's a delay, check back with HR to ensure the letter is issued quickly.

### **How do you write a salary request letter?**

**How do I write a letter requesting a certificate?** I have completed my post graduation in English in April 2021. I am writing to request you to issue my Degree certificate as I have secured an admission in a foreign university, and I am required to submit the degree certificate to complete the admission process.

**What is certification of salary status?** A salary verification letter, otherwise known as an employment verification letter, is a letter confirming an employee's income. Employees usually need this type of letter to show their current salaries for loans or leases.

**What is employment certificate in Dubai?** An employment certificate is a legal written document provided by the last employer at the time of separation or termination of the employee confirming the employment period, service, designation and work performance in the organisation.

**What is a salary slip in Dubai?** In the UAE, every worker should get this slip, no matter how many hours they work or what kind of contract they have. Think of it as a monthly report showing how much you earn. It includes your details, the total amount you get before any deductions (gross pay), and other useful information.

**Is certificate attestation mandatory for UAE visa?** The UAE government requires degree certificate attestation to verify the authenticity of foreign educational degrees and ensure that individuals seeking to enter the UAE for work, study or residency purposes have the necessary qualifications. Without proper attestation, your visa application may not be accepted.

**What documents are required for UAE embassy attestation?** C.N.I.C, passport, Printout of SCANNED QR Code of MOFA & Visa copy of Father & Mother. Passport & Visa Copy of Child. OR Original Letter from UAE School requiring UAE Embassy attested School Leaving Certificate. Laminated paper and shine paper are not acceptable.

**How do I write an attestation certificate?** Self-attestation requires you to put your signature on the copy of the document you want to attest. After making a copy of your document, write a comment on it like: "True copy" or "Self-attested copy". Then write your signature right below.

**How does an UAE salary certificate look like?** It is usually printed on the company's letterhead with the authorized personnel's signature and seal. It can be used for multiple reasons and is not addressed to any specific organization. A salary certificate UAE is a compulsory document if you are applying for a credit card or personal loan in UAE.

**What is an example of a salary verification letter?** I'm writing to confirm that [employee name] has worked for [company name] for [length of time worked] as an [employee job title]. [Employee name] earns [hourly, monthly or yearly salary or wages]. Please contact me with any questions you may have.

**What is a salary confirmation letter?** A confirmation letter includes the salary, joining date, confirmation date, designation and job description of an employee. Later, if the employee moves to another company this letter acts as proof of the position n salary he held in his previous job.

**How do I write a salary justification letter?** Be specific. Open your letter by clearly stating that you're asking for a salary review. Briefly describe why you believe you deserve a raise. For example, you might mention your years of experience with the company or your willingness to take on extra work.

**How do I write a salary requirement letter?** You write salary requirements in a cover letter by providing a salary range that's reasonable for your target role in your state. You can also state, "my salary expectations are negotiable depending on the overall compensation and benefits package" toward the end of your letter.

**How do I write a salary proposal letter?**

**How to write a certification letter?**

**How do you politely ask for a certificate?** Dear [Recipient's Name], I hope this letter finds you well. My name is [Your Name], and I am writing to formally request a copy of my [Type of Certificate] from [Institution or Organization's Name].

**How do you write a good letter of request?**

**What is a letter of certification of income?** An income verification letter is a document an employer issues to confirm an individual's income and employment status and provide evidence of the individual's financial situation. If you need a standardized income verification letter for your property management company or landlord duties, Jotform has you covered.

**What is equal salary certification?** The EQUAL-SALARY Certification verifies that organizations have sustainable policies and practices to ensure that they pay their male and female employees equally for equal work.

**How do you negotiate salary after certification?**

**How do I write a salary requirement letter?** You write salary requirements in a cover letter by providing a salary range that's reasonable for your target role in your state. You can also state, "my salary expectations are negotiable depending on the overall compensation and benefits package" toward the end of your letter.

**Can you ask for proof of salary?** As of Jan. 1, California employers are required to comply with California Labor Code Section 432.3, which prohibits employers from asking job applicants about their salary histories.

**How do I get a salary verification letter?** It may also include information about the individual's salary or compensation. To get an employment verification letter, the best way is to ask the current employer for one, contact the company directly, or use a third-party verification service.

**How do I write a salary appraisal letter?**

**How do I write a salary justification letter?** Be specific. Open your letter by clearly stating that you're asking for a salary review. Briefly describe why you believe you deserve a raise. For example, you might mention your years of experience with the company or your willingness to take on extra work.

**What is an example of a salary expectation letter?** “As far as my salary expectations are concerned, I would like to request an amount that someone with my experience and skill set is likely to earn in this job role. I trust your organization is fair with its compensation packages, and I am open to negotiations.”

**What is an example of a salary requirement?** When you write your salary requirements, you should include a range and not a specific sum. For instance, if you would like to make \$35,000, then you should state that your salary requirements are between \$30,000 and \$40,000, rather than \$35,000. This way, there is an opportunity to negotiate.

**What is proof of salary from employer?** A proof of income letter determines and confirms an individual's income and employment status. It is a formal, official letter usually composed by employers in order to confirm that an individual currently works for them or has worked for them in the past.

**How do you respectfully ask for salary?** I'm wondering what you have budgeted for this role?” If that's a little too direct for you, she suggests asking, “I'm curious what the pay band and benefits are for this role?” Other ways to ask about salary in an interview include: Can you tell me what you've budgeted for this position?

**Can employers verify your salary?** When you are applying for a job in California, employers cannot ask you about your salary history or the value of your benefits (such as health insurance policy limits). Nor can employers try to track down this information personally or through an agent or recruiter.

**What is a salary letter from employer?** A Salary Verification Letter is a document used to verify an employee's salary and other compensation. Salary Verification Letters are often requested by landlords or lenders when an employee applies for a rental or loan.

**How do I write a proof of income letter?** My name is (Employer name) and I am writing to verify the employment of (Applicant name). (Applicant name) works at (Name of company) as a (Job title). (He/she) has worked with this company since (Hire date) and works (Amount of time worked per week). (Applicant name) earns (Salary) on a (Pay period) basis.

**What is a salary certificate in KSA?** Salary Certificate is a document that provides essential information about an employee's salary breakdown, including their tenure.

**How do I write a salary recommendation letter?** Use salary increase letters as a tool for motivation and engagement, boosting employee morale and reinforcing their value to the company. Always specify the current salary, raise amount, new salary, effective date, and any additional benefits. Save time and ensure professionalism by using customizable templates.

**How do I request a letter for salary release?** I am writing to bring to your attention a matter concerning the release of my salary for the month of [Month]. As of [current date], my salary has not been credited to my account. I understand that unforeseen circumstances may cause delays in processing, but I rely on my salary to meet my financial commitments.

**How do you write a salary acceptance letter?** I am very grateful for the opportunity, and delighted to be joining the company. As discussed over the phone, my starting salary will be [Agreed starting salary], with [percentage] commission, as well as [days] annual leave, and private health insurance. I will be able to start work on [Start date].

## **The Micro Economy Today: 13th Edition Answers**

### **Chapter 1: Introduction to Microeconomics**

**Q1: What is microeconomics?** A1: Microeconomics studies the behavior of individual economic agents, such as consumers, firms, and resource owners.

### **Chapter 2: Supply and Demand**

**Q2: How does supply and demand interact to determine market equilibrium?**

A2: Equilibrium occurs when the quantity supplied equals the quantity demanded, resulting in a stable price and quantity.

### **Chapter 3: Elasticity**

**Q3: What is the elasticity of demand? How is it calculated?**

A3: Elasticity of demand measures the responsiveness of quantity demanded to changes in price. It is calculated as the percentage change in quantity demanded divided by the percentage change in price.

### **Chapter 4: Consumer Choice**

**Q4: Explain the concept of consumer sovereignty.**

A4: Consumer sovereignty refers to the idea that consumers have the power to influence the goods and services produced by controlling their spending decisions.

### **Chapter 5: Production and Cost**

**Q5: What is the relationship between cost and output?**

A5: As output increases, total cost generally increases, but marginal cost (the cost of producing one additional unit) typically decreases.

## **Unveiling the Solutions to Serway and Jewett's Physics for Scientists and Engineers, 5th Edition**

Serway and Jewett's Physics for Scientists and Engineers, 5th Edition, is a comprehensive textbook that provides a rigorous foundation in the principles of physics. For those seeking a deeper understanding of the concepts presented in the text, the accompanying solutions manual is an invaluable resource.

**Question 1:** A car travels 100 miles in 2 hours. What is its average speed?

**Answer:** Using the formula average speed = distance/time, we have average speed = 100 miles/2 hours = 50 miles/hour.

**Question 2:** A block of mass 5 kg slides down a frictionless inclined plane with an angle of 30 degrees. What is the acceleration of the block?

**Answer:** Resolving the force of gravity along the inclined plane, we get: acceleration =  $g \sin(30) = 9.8 \text{ m/s}^2$

$$\sin(30) = 4.9 \text{ m/s}^2.$$

**Question 3:** A point charge  $q_1$  of  $2.0 \mu\text{C}$  is placed at the origin, and a point charge  $q_2$  of  $-3.0 \mu\text{C}$  is placed at a distance of 10 cm from  $q_1$ . What is the electric field at a point 5 cm away from  $q_2$ ? **Answer:** Using the formula for electric field, we have: electric field =  $kq/r^2$ , where  $k$  is the Coulomb constant. The electric field due to  $q_1$  is:  $E_1 = kq_1/r_1^2 = 9.0 \times 10^9 \text{ Nm}^2/\text{C}^2 \cdot 2.0 \times 10^{-6} \text{ C} / (0.1 \text{ m})^2 = 1.8 \times 10^6 \text{ N/C}$ . The electric field due to  $q_2$  is:  $E_2 = kq_2/r_2^2 = 9.0 \times 10^9 \text{ Nm}^2/\text{C}^2 \cdot -3.0 \times 10^{-6} \text{ C} / (0.05 \text{ m})^2 = -1.08 \times 10^7 \text{ N/C}$ . The total electric field is:  $E = E_1 + E_2 = 1.8 \times 10^6 \text{ N/C} - 1.08 \times 10^7 \text{ N/C} = -0.88 \times 10^7 \text{ N/C}$ .

**Question 4:** A capacitor with a capacitance of  $10 \mu\text{F}$  is charged to a potential difference of 100 V. How much charge is stored on the capacitor? **Answer:** Using the formula  $Q = CV$ , where  $Q$  is the charge,  $C$  is the capacitance, and  $V$  is the potential difference, we have:  $Q = 10 \mu\text{F} \cdot 100 \text{ V} = 1 \text{ mC}$ .

**Question 5:** A sinusoidal wave has a frequency of 50 Hz and a wavelength of 1 m. What is the wave's speed? **Answer:** Using the formula  $v = f\lambda$ , where  $v$  is the wave's speed,  $f$  is its frequency, and  $\lambda$  is its wavelength, we have:  $v = 50 \text{ Hz} \cdot 1 \text{ m} = 50 \text{ m/s}$ .
