**What is a memorable quote from Of Mice and Men Chapter 1?** "Guys like us, that work on ranches, are the loneliest guys in the world. They got no family. They don't belong no place... With us it ain't like that."

**What is an important quote from George in mice of men?** "If I was even a little bit smarter, I'd have ay own little place, an' I'd be bringin' in my own crops, 'stead of doin' all the work and not getting what come up outta the ground." George fell silent. Summary of his life. Wasting his life and not fulfilling his potential. Maybe not as smart as other people think he is.

**What was Lennie's key quotes?**

**What is the saddest quote in Of Mice and Men?** As the great Kurt Vonnegut wrote in Cat's Cradle, "Of all the words of mice and men, the saddest are, 'It might have been. '" I can't go back and change what I did or didn't do in the past, no matter how hard I try."

**What is chapter 4 Of Mice and Men quote?** "Nobody never gets to heaven, and nobody gets no land." Crooks is pessimistic about the ability of poor working men to

achieve their DREAMS, especially the American Dream of land of one's own. He feels that the dream of land is as unachievable in this life as a dream of heaven.

**What is the best intentions Of Mice and Men quote?** No matter how carefully a project is planned, something may still go wrong with it. The saying is adapted from a line in "To a Mouse," by Robert Burns : "The best laid schemes o' mice an' men / Gang aft a-gley."

**What quote shows friendship in Of Mice and Men?** An example of their friendship is when Lennie says to George "I got you to look after me, and you got me to look after you." This suggests that George means a lot to Lennie, and that Lennie feels that he has to take just as much care of George, as George does for him.

**What does George say to Lennie in Chapter 1?** George tells Lennie, "If I was alone I could live so easy. I could go get a job an' work an' no trouble." However, it becomes clear that George does not have any real hope of having such an easy existence because when Lennie offers to leave him, George tells him to stay.

**What are some quotes from Of Mice and Men?**

**What is George and Lennie's dream quote?** "Well," said George, "we'll have a big vegetable patch and a rabbit hutch and chickens. And when it rains in the winter, we'll just say the hell with goin' to work, and we'll build up a fire in the stove and set around it an' listen to the rain comin' down on the roof."

**What are some quotes for loneliness in Of Mice and Men?** "I tell ya, a guy gets too lonely an' he gets sick." "I never get to talk to nobody. I get awful lonely." "God a'mighty, if I was alone I could live so easy."

He shook her then, and he was angry with her... he shook her; and her body flopped like a fish. And then she was still, for Lennie had broken her neck." (Chapter 5, page 103).

**What does Lennie killing mice symbolize?** What do the mice symbolize in *Of Mice and Men*? Clearly, they are an important symbol, as they are even referenced in the title of the book. Ultimately, mice are a symbol of false hope in the novel. Lennie likes to hold soft things, but he often kills them because he is so strong.

**What does Curley say in *Of Mice and Men*?** What the hell are you gettin' into it for?" Curley says this to George in the bunkhouse in Chapter 2 when George is speaking for Lennie. "By Christ, he's gotta talk when he's spoke to... Curley says this because he is angry that George and Lennie are 'disrespecting' him, as only George is talking.

**What quotes describe Lennie?** Steinbeck describes Lennie using animal-like characteristics. In our first encounter with Lennie, his actions are compared to different animals. Steinbeck writes, '...he walked heavily, dragging his feet the way a bear drags its paws,' and '(he) drank with long gulps, snorting into the water like a horse.

**What is the cheese mouse quote?** "The early bird gets the worm, but the second mouse gets the cheese."

**What quotes show the Great Depression in *Of Mice and Men*?** The Great Depression is the time period during which the book takes place. The influence of this time period in the book can be seen with a quote as follows, "Guys like us, that work on ranches, are the loneliest guys in the world. They got no family. They don't belong no place.

**What was the original quote *Of Mice and Men*?** No matter how carefully a project is planned, something may still go wrong with it. The saying is adapted from a line in "To a Mouse," by Robert Burns : "The best laid schemes o' mice an' men / Gang aft a-gley."

**What does Lennie say Of Mice and Men?** As Lennie "put out his huge hand and stroked [the puppy]," saying, "Why do you got to get killed? You ain't so little as mice," Lennie's puppy symbolizes the fragility of life and dreams and Lennie's inability to recognize his own physical strength.
