What are discussion questions for Catcher in the Rye?

Why does Holden smoke in bed? Why does Holden smoke in bed? Holden smokes in bed because it irritates Stradlater. Where did Stradlater go on his date with Jane Gallagher? Stradlater says that he spent the evening in the car with Jane.

What's ironic about Sunny's name? The names, "Sunny" and "Jim Steele," are ironic; neither name fits the person. Freudian critics delight in analyzing their significance. Remember that Salinger's boyhood nickname was "Sonny." What kind of Freudian slip has Salinger made by naming the prostitute "Sunny"?

Why was Holden sick at the end of the book? He brings his sickness to fruition as a psychosomatic illness. To me, this is a sort of munchausen in that there is a reach out for the attention he desperately needs, and it is unlike munchausen in that he really is sick. Two: The sickness is a metaphor for all the negativity and emotional hardships he has dealt with.

What is the central message or main lesson of catcher in the rye? In *Catcher in the Rye*, J.D. Salinger focuses on two main themes: protecting the innocent and isolation. One of the primary themes in the novel is protecting the innocent. Throughout the novel, Holden reminisces about his younger brother, Allie, who has passed away.

What is the biggest conflict in The Catcher in the Rye? The main conflict of the novel is between Holden and the modern world in which he lives. Holden struggles to find reason from it all, calling the world a place full of phonies who have sold

themselves out for various reasons.

Why does Holden want to lose his virginity? Holden wants to connect with people in a genuine way; his desire to lose his virginity is an expression of this. However, he is his own worst enemy and cannot be vulnerable enough to allow himself to make a connection.

What does Holden's smoking symbolize? Answer and Explanation: Smoking symbolizes the aftermath of a depressing or suicide-inducing experience for Holden.

Why does Holden have mental illness? This mental state could be a result of a variety of factors, including the death of his younger brother Allie, as well as witnessing the gruesome scene of a classmate's death. He also makes mention of physical and sexual violence which transpired at his all-male boarding school.

Why do you think Holden calls Sally rather than Jane when he is drunk? Throughout the three days that the novel takes place, Holden thinks about calling Jane. When he is drunk, he doesn't mind calling Sally, but he doesn't want to lose Jane's respect.

Why does Holden get smacked? Maurice hit Holden because Holden refused to pay Maurice the full amount for the prostitute, Sonny. Holden said he felt like committing suicide. Why didn't he? Holden didn't want to commit suicide because he didn't want phonies stopping and staring at his body.

Why does Holden like Mercutio so much? It is no surprise that Holden's favorite character is Mercutio, Romeo's glib, subversive best friend. Holden resents betrayal, even accidental betrayal, and he dislikes Romeo after the hero inadvertently causes Tybalt to kill Mercutio. Mercutio is Holden's kind of guy: bright and fun, a bit of a smart-mouth.

What is the twist in The Catcher in the Rye? The book ends with Holden saying that he is sick but will be going to a new school in the fall. The *Catcher in the Rye* summary ends with the revelation that, throughout the book, Holden has been recounting his tale from a mental institution in southern California, where his older brother, D.B.

What does the last line mean in *The Catcher in the Rye*? Salinger's novel comes full circle with a final note from the character he introduced in his famous first lines, who readers find out to be 17-year-old Holden Caulfield. In the last line, Holden relates to many with his desire to quell heightened emotions, plagued by the death and abandonment of many of those he loved.

What is the last paragraph of *The Catcher in the Rye*? "I could probably tell you what I did after I went home, and how I got sick and all, and what school I'm supposed to go to next fall, after I get out of here." From that, Holden is in the hospital. The last line of the book says, "Don't ever tell anybody anything. If you do, you start missing everybody."

What is the hidden message of *The Catcher in the Rye*? *The Catcher in the Rye* is very much a story of loss of innocence, and an enhanced awareness and fear of this loss. As Mr. Dixon has already mentioned, Holden had a little brother who got sick and died young. This event had a massive impact on Holden's life and mind.

What is the deeper meaning of *The Catcher in the Rye*? Interpretation. *The Catcher in the Rye* takes the loss of innocence as its primary concern. Holden wants to be the "catcher in the rye"—someone who saves children from falling off a cliff, which can be understood as a metaphor for entering adulthood.

Why is it called *The Catcher in the Rye*? The "Catcher in the Rye" idea is based on a misreading of a line in the song "Comin' Thro' the Rye," by Robert Burns, which Holden heard a young boy singing. The young boy mistakenly substituted "When a body catch a body, comin' thro' the rye" for "When a body meet a body, comin' thro' the rye."

What is the most important part in *The Catcher in the Rye*? The climax of the story comes when Holden visits Phoebe, who becomes angry that Holden has been expelled from another school and confronts him about why he doesn't like anything. Holden says he likes his brother, Allie, but Phoebe points out that Allie is dead.

Why was *Catcher Rye* banned? *The Catcher in the Rye* Controversy At the time, administrators complained because of the book's liberal use of swear words, its preoccupation with teen sexuality, and its intensely dark meditations on society.

Who else was killed because of *The Catcher in the Rye*? *The Catcher in the Rye* has been linked to many murder cases throughout its time. Mark David Chapman, who had an obsession with the book, murdered John Lennon. Also, John Hinckley, who attempted to assassinate our former president, Ronald Reagan, was thought to be obsessed with the book as well.

What is the main argument of *The Catcher in the Rye*? *The Catcher in the Rye* takes the loss of innocence as its primary concern. Holden wants to be the “catcher in the rye”—someone who saves children from falling off a cliff, which can be understood as a metaphor for entering adulthood.

What is the duck question in *Catcher in the Rye*? wondering where did the ducks go.” This childlike wonderment over the mystery of the Central Park Lagoon ducks symbolizes Holden's desperate attempt to hold onto childhood and the simple joy that comes with it.

What is the mental illness in *The Catcher in the Rye*? The importance of this book is its portrayal of PTSD and how it can affect every aspect of your life, even if you aren't aware of it. Holden struggles to build friendships, relationships and always feels like he is on the outside looking in. He is overwhelmed with untreated grief and depression.

What is a typical Caulfield conversation? Eventually, though, Holden convinces Luce to tell him that he's in a relationship with an older woman, though Luce resists getting pulled into what he refers to as a “typical Caulfield conversation.” As they talk, Luce periodically reminds Holden that he can't stay long, but this doesn't deter Holden from posing ...
