### **Act Like Success: A Conversation with Steve Harvey**

**Question:** Steve, you often talk about the importance of acting like success. Can you explain what you mean by that?

**Answer:** Acting like success is not about pretending to be someone you're not. It's about embodying the mindset, attitudes, and behaviors of successful people. It means believing in yourself, setting high goals, and taking action towards achieving them. It also means being positive, persistent, and resilient.

**Question:** How can we develop this mindset and start acting like success?

**Answer:** It starts with recognizing that you have the power to change your life. Take ownership of your thoughts and actions. Focus on the positive and surround yourself with supportive people who believe in you. Set realistic goals and celebrate your progress along the way. And never give up on your dreams.

**Question:** You emphasize the importance of visualization. How can that help us act like success?

**Answer:** Visualization is a powerful tool for programming your subconscious mind for success. By vividly imagining yourself achieving your goals, you create a neurological pathway that makes it easier to take the necessary actions. Visualizing success also boosts your motivation and confidence.

**Question:** What are some specific actions we can take to act like success?

**Answer:** Dress professionally, even when you're not at work. Speak with confidence and authority. Surround yourself with successful people. Read books and attend

seminars about personal development. Take every opportunity to learn and grow. And most importantly, be kind to yourself and others.

**Question:** Why is it crucial to act like success even when we don't feel like it?

**Answer:** Acting like success creates a virtuous cycle. The more you act like a successful person, the more you'll start to believe and feel like one. This will lead to positive outcomes and attract even more success into your life. Remember, success is not something you achieve overnight. It's a journey that requires consistent effort and the unwavering belief that you are capable of greatness.

**Who wrote the script for West Wing?** The West Wing is an American political drama television series created by Aaron Sorkin that was originally broadcast on NBC from September 22, 1999, to May 14, 2006.

**Why was West Wing cancelled?** In January 2006, it was announced that the seventh would be the final season. Kevin Reilly, entertainment president for NBC, said that after poor viewing figures for the "last couple of seasons [they reached] a point where you look at the ratings and you just say, 'it's time. '"

**Why was Sam written out of West Wing?** He was written out of the show in Season 4 amid rumors of behind-the-scenes salary disputes. He said on the podcast that he felt "undervalued" during his time on the series. "Whenever I talk to actors who complain about, you know, their relationships on their shows, it happens — it happens in any workplace," Lowe said.

**Why did Toby get written out of The West Wing?** As staffers are subpoenaed and intense scrutiny begins to fall on Chief of Staff, C.J., Toby confesses to her to be the source of the leak. He is fired and becomes the target of federal prosecution; because of this, he sits in the back of the church during the funeral of Leo McGarry.

**Why did Aaron Sorkin stop writing for The West Wing?** In 2003, at the end of the fourth season, Sorkin and fellow executive producer Thomas Schlamme left the show due to internal conflicts at Warner Bros. Television, causing John Wells to serve as showrunner.

**Who is Jed Bartlet based on?** Sorkin's main interest in writing for the character was exploring the side of the president that the public does not generally see. Sheen

STEVE HARVEY ACT LIKE SUCCESS

described the character as being drawn largely from Bill Clinton: "He's bright, astute, and filled with all the negative foibles that make him very human," he told Radio Times.

**Why did Josh Lyman leave West Wing?** Josh leaves his position at the White House to run Santos's presidential campaign, leaving his legislative portfolio to be taken up by Clifford Calley, a move encouraged by Leo after he and later C.J. notice that Clifford's personality and his skills are not unlike Josh.

**Why was Amy fired from West Wing?** In the end, the White House gets the bill passed—Josh explains that he bribed Amy's boss. Losing the vote also causes Amy to lose her job and her relationship with Josh. Midway through the fourth season, Amy is hired by the first lady, to put a political heavyweight behind her agenda.

**Why did Donna quit West Wing?** During most of the series, Donna works for White House Deputy Chief of Staff Josh Lyman as a senior assistant (or, as she jokingly calls herself in one episode, the "deputy deputy chief of staff"), until she quits her job to work for the presidential campaign of Bob Russell in season 6.

**Who married Sam Seaborn?**

**Why was Mrs. Landingham written out of The West Wing?** Aaron Sorkin was inspired to write the death of Mrs. Landingham into the show after Kathryn Joosten told him that she had auditioned for a role in a pilot episode for another series (CBS's *Joan of Arcadia*).

**Why did Charlie leave West Wing?** After graduating from Georgetown, Charlie was forced to make good on a promise he made to the President to move on and leave his job as the President's body man once he graduated.

**Did President Bartlet pardon Toby?** Despite strong mixed emotions, Bartlet's final official act as president is to pardon Toby and thus spare him from having to serve his prison sentence.

**Did Charlie and Zoey end up together?** Charlie Young and Zoey later split, but the two remain close friends even as Zoey moves on to date Jean-Paul.

**Do Donna and Josh end up together?** Josh and Donna's slow-burn romance in The West Wing captivated fans and ended with a satisfying finale where they finally end up together.

**Why did Stockard Channing leave West Wing?** In the seventh and final season of The West Wing (2005–2006), Channing appeared in only four episodes (including the series finale) because she was co-starring (with Henry Winkler) in the CBS sitcom Out of Practice at the same time. Out of Practice was cancelled by CBS after one season.

**Why was Richard Schiff written off West Wing?** After working on The West Wing for six seasons, Schiff chose to leave the series, fulfilling his contractual obligations by appearing in half of the final season's episodes.

**Why did they write Leo out of The West Wing?** The Real-Life Passing Of Actor John Spencer Forced The Decision. During the final season of The West Wing, Leo McGarry's passing needed to be written into the show given the sudden loss of Emmy Award-winner John Spencer.

**Who is CJ based on in West Wing?** On The West Wing, C. J. Cregg is played by Allison Janney. The character is said to have been partially inspired by Dee Dee Myers, who worked as the White House Press Secretary to Bill Clinton and was a consultant to the show.

**Why did Rob Lowe leave West Wing?** Rob Lowe Says He Left 'The West Wing' Because He Felt "Very Undervalued": "The Best Thing I Ever Did" The actor departed Aaron Sorkin's hit series in 2002.

**Who is Josh in West Wing based on?** Some of have claimed that Josh Lyman was based on Rahm Emanuel, but this has been refuted/disputed by Paul Begala (Chief strategist for Clinton's '92 campaign) and Lawrence O'Donnell (adviser to Sen. Moynihan and writer/contributor to the West Wing).

**Why did Ainsley leave West Wing?** She was also barely referenced following her departure, which wasn't explained. However, this was likely due to Proctor joining the main cast of CSI: Miami. Had she stayed, she could've evolved beyond the poor treatment she initially received, which hasn't aged well for The West Wing in today's

STEVE HARVEY ACT LIKE SUCCESS

society.

**Why did Will Bailey leave West Wing?** Will left President Bartlet's staff soon after the appointment of Representative Bob Russell (D-CO) as Vice President of the United States, when he accepted Russell's offer to become his chief of staff and strategist.

**Why did Amy resign West Wing?** Shortly after President Bartlet's reelection, Amy was hired as the First Lady's Chief of Staff. She resigned after President Bartlet learned Amy was using Abigail Bartlet's name to increase funding for violence prevention without her knowledge.

**Was Lawrence O'Donnell a writer for The West Wing?** From 1999 to 2006, O'Donnell was associated with the television drama The West Wing, writing 16 episodes and serving as executive story editor for 12 episodes (1999-2000), as co-producer for five episodes (2000), as producer for 17 episodes (2000-2001), as consulting producer for 44 episodes (2003-2005), and as ...

**How did they write John Spencer out of West Wing?** At the time of his death, Spencer had appeared in two of the five West Wing episodes then in post-production. Those episodes were Running Mates and The Cold. His death was subsequently written into the show as his character, vice presidential candidate McGarry, dying of a heart attack on election night.

**Who wrote the theme for The West Wing?** It was composed by W. G. Snuffy Walden on guitar, and performed by an orchestra for the title sequence. It is a mix of the gospel, taps, and blue-jeans styles. Reception of the theme has been mostly positive, with author Melissa Crawley commenting that it "reflects the values of an idealized American culture".

**Why did Moira Kelly leave West Wing?** She departed the show without plot explanation after the first season ended. Series creator Aaron Sorkin said that the character was not working out and that the decision for Moira Kelly's departure from the show was amicable: "Moira is a terrific actress, but we just weren't the right thing for her."

**Why did they write Leo out of The West Wing?** The Real-Life Passing Of Actor John Spencer Forced The Decision. During the final season of The West Wing, Leo McGarry's passing needed to be written into the show given the sudden loss of Emmy Award-winner John Spencer.

**Who does Renee Estevez play in The West Wing?** She appeared in a regular guest-starring role on The West Wing (1999) as Nancy, an assistant in the Oval Office of President Josiah Bartlet (who is played by her father Martin).

**Was Emilio Estevez in The West Wing?** Emilio Estevez, Martin Sheen's son, has an uncredited cameo as the young Jed Bartlet in news footage shown in the hospital.

**Who became vice president after Leo McGarry died?** Following the death of McGarry on Election Day, Santos chooses Baker for the Vice Presidency, eventually deciding to submit Baker's name to Congress under the terms of the 25th Amendment, rather than asking the Electoral College to vote for him.

**Why did Rob Lowe leave West Wing?** Rob Lowe Says He Left 'The West Wing' Because He Felt "Very Undervalued": "The Best Thing I Ever Did" The actor departed Aaron Sorkin's hit series in 2002.

**What happens to Charlie at the end of West Wing?** Dulé Hill as Charlie Young By the series' end, he had been accepted to law school with the president's guidance. Since then, Dulé Hill had starring roles on Psych, Suits and The Wonder Years reboot. He married actress Jazmyn Simon in 2018 and the two welcomed a son, Levi, in May 2019.

**Why was Toby written off The West Wing?** However, during the show's final season, Schiff said he felt let down by the writers as some of his episodes were cut "purely on a financial decision." He was particularly critical of the military shuttle leak storyline, which saw his character indicted for leaking classified information.

**Who did John Aniston play in The West Wing?** John Aniston: Alexander Thompson.

**Was Richard Schiff written out of The West Wing?** After working on The West Wing for six seasons, Schiff chose to leave the series, fulfilling his contractual

obligations by appearing in half of the final season's episodes.

**Why did Josh Lyman leave West Wing?** Josh leaves his position at the White House to run Santos's presidential campaign, leaving his legislative portfolio to be taken up by Clifford Calley, a move encouraged by Leo after he and later C.J. notice that Clifford's personality and his skills are not unlike Josh.

**Why was Ainsley written off West Wing?** Like Sam, Ainsley also returned briefly in the final season, taking up the position of White House Counsel for the Santos administration. She was also barely referenced following her departure, which wasn't explained. However, this was likely due to Proctor joining the main cast of CSI: Miami.

**Why did Donna quit on West Wing?** During most of the series, Donna works for White House Deputy Chief of Staff Josh Lyman as a senior assistant (or, as she jokingly calls herself in one episode, the "deputy deputy chief of staff"), until she quits her job to work for the presidential campaign of Bob Russell in season 6.

## **Start Programming Using Object Pascal Code**

**Q: What is Object Pascal?** A: Object Pascal is a programming language that extends the original Pascal language with object-oriented programming capabilities. It is a strongly typed language known for its simplicity, clarity, and efficiency.

**Q: How to Start Coding in Object Pascal?** A: To start programming in Object Pascal, you can use an integrated development environment (IDE) such as Lazarus or Delphi. These IDEs provide a user-friendly interface, code editor, debugger, and other tools to enhance your development experience.

**Q: What are the Basic Syntax Conventions?** A: Object Pascal uses a structured syntax, with keywords, identifiers, operators, and symbols. Variables must be declared with their data types, and code blocks are enclosed within BEGIN and END keywords. Code statements are terminated with semicolons (;).

**Q: What are Objects and Classes?** A: In object-oriented programming, objects represent specific entities with their own state (data) and behavior (methods). Objects are created from classes, which define their structure and functionality. Classes can inherit from other classes, allowing for code reuse and polymorphism.

STEVE HARVEY ACT LIKE SUCCESS

**Q: How to Create a Simple Object Pascal Program?** A: To start with a simple program, create a new project in your IDE. Use the following code template as a starting point:

```
program MyProgram;  
  
{ Declare a variable of type integer }  
var  
    number : integer;  
  
begin  
    { Assign a value to the variable }  
    number := 42;  
  
    { Display the value of the variable }  
    writeln('The value of number is: ', number);  
end.
```

## **The Effectiveness of Public Sector Asset Management**

### **Introduction**

Public sector asset management plays a critical role in ensuring the efficient and sustainable delivery of essential services to citizens. This article explores the effectiveness of public sector asset management through a series of frequently asked questions and answers.

### **What is the Significance of Public Sector Asset Management?**

Public sector assets, such as buildings, infrastructure, and equipment, represent a significant investment by taxpayers. Effective asset management is essential for maximizing the value of these assets, ensuring their safety and functionality, and minimizing the cost of ownership.

### **How is the Effectiveness of Public Sector Asset Management Measured?**

The effectiveness of public sector asset management is typically measured through various metrics, including:

- **Asset utilization:** The extent to which assets are being used effectively
- **Asset condition:** The physical and functional state of assets
- **Lifecycle optimization:** The ability to extend the useful life of assets
- **Financial performance:** The cost of ownership and return on investment

### What are the Key Challenges to Effective Public Sector Asset Management?

Some of the common challenges to effective public sector asset management include:

- **Fragmented data:** Incomplete or inconsistent asset data
- **Inefficient processes:** Manual, paper-based, or outdated systems
- **Lack of expertise:** Insufficient specialized knowledge in asset management
- **Limited funding:** Constraints on resources for asset maintenance and replacement

### What are the Best Practices for Enhancing Public Sector Asset Management Effectiveness?

To improve the effectiveness of public sector asset management, consider implementing the following best practices:

- **Develop a comprehensive asset management strategy:** Outline goals, objectives, and performance measures.
- **Implement asset management software:** Automate processes, centralize data, and facilitate collaboration.
- **Invest in staff training:** Provide training on asset management principles and techniques.
- **Foster partnerships with external stakeholders:** Leverage expertise and resources from contractors, vendors, and consultants.
- **Monitor and evaluate performance:** Regularly assess the effectiveness of asset management practices and make adjustments as needed.

By addressing these challenges and implementing best practices, public sector organizations can enhance the effectiveness of their asset management practices, leading to improved service delivery, cost savings, and long-term sustainability.
