**Is 3 months enough to learn digital marketing?** It takes around 3-4 months to learn digital marketing completely, including all the advanced topics. Depending on your preference, you can join a self-paced online course or enroll in a training program with live interactive classes. However, don't rush into anything.

**Is Lynda com the same as LinkedIn Learning?** LinkedIn Learning was founded as Lynda.com in 1995 in Ojai, California, as online support for the books and classes of Lynda Weinman, a special effects animator and multimedia professor who founded a digital arts school with her husband, artist Bruce Heavin. In 2002, the company began offering courses online.

**Is Lynda.com worth it?** Quality of Courses Lynda.com offers some really great tutorials and overall, the courses tend to be really high quality from a recording prospective. The only reason it's 4 stars is because some of the courses are too general to be useful.

**How can I get Lynda for free?** There are two ways for residents of Los Angeles to get free access to Lynda.com: through the Los Angeles Public Library (LAPL) or the Los Angeles County Library (COLA).

**What happened to Lynda learning?** In 2019 LinkedIn (parent company of Lynda.com) announced that the Lynda.com platform would be shutting down, and the Lynda content would migrate to the LinkedIn Learning platform, a paid service through LinkedIn. The proposal at the time included conflicts with library policy and values.

**Does LinkedIn own Lynda?** Lynda Weinman, an early fan of the personal computer, made a name for herself by teaching web design to non-techies in the mid 1990s. From there she went on to create online education company Lynda.com, which was bought by LinkedIn for \$1.5 billion in cash and stock in 2015.

**Does LinkedIn Learning give certificates?** Learning Certificates of Completion Overview Certificates of Completion are certificates that you may receive when you watch a course on LinkedIn Learning.

**Can I learn digital marketing with no experience?** Yes, experience in digital marketing can be helpful for landing a job in the field. However, getting an entry-level digital marketing role doesn't require the kind of formal experience you might imagine.

**Can I learn digital marketing myself?** Can digital marketing skills be self-taught? Yes, digital marketing skills can be self-taught through online courses, tutorials, and practical hands-on experience.
