**Is High Strung a book?** Stephen Tignor makes this point very succinctly in his often compelling new book, High Strung: "With other opponents, McEnroe competed against his own potential, his own expectations of perfection.

**Is Twisted a spicy book?** Customers find the book has a lot of spice at the same time. Customers find the pacing just right, balancing moments of tension with heartfelt emotions.

**What is a high strung kid?** : having an extremely nervous or sensitive temperament.

**Is Twisted series 18+?** (This set includes three full length contemporary steamy romance novels filled with lots of emotion and ever lasting love. There is an HEA. This series is intended for readers 18+. There is strong language, some violence and lots of steamy sex scenes.)

**Can a 14 year old read Twisted Love?** Parents need to know that Twisted Love is the first in a series of contemporary romance novels by author Ana Huang intended for college-aged and adult audiences.

**Can a 13 year old read Twisted series?** Can a 13-year-old read it? I would say no, it is not appropriate for a 13 year old to read.

**Are kids with ADHD very emotional?** Kids with ADHD have the same feelings as people without the condition. Joy, anger, fear, sadness -- the list goes on. Their emotions are just stronger, happen more often, and last longer. They also tend to impact everyday life.

**Why is my 6 year old so sensitive?** They often have a more reactive nervous system, making them easily overwhelmed and overstimulated. Highly sensitive children may also display traits such as deep empathy, strong intuition, and a need for more processing time and smoother transitions.

**Why is my 8 year old so stubborn?** The stubborn child exhibits a great need to assert herself. She wants to influence her environment, to have control over her own body and activities, to have her voice be heard. She wants to make choices and have those choices be respected. We all want and need these things, obviously; they are universally human.

**Does Heartbreak High have a book?** Book overview Heartbreak High – The Inside Story tells the tale of the hit Australian drama series, from the original stage play and film The Heartbreak Kid, through all 7 series of the globally popular TV show.

**Is Beach Read a spicy book?** Rated: High, for about 20 instances of strong language and more instances of milder/moderate profanity, and sexual content including two sex scenes, one several pages long and pretty detailed and the other not as long but still detailed.

**Is book lovers a steamy book?** It's not the worst I've seen, but fairly steamy at times. It's the one thing I wish the author would take down a notch. Otherwise, I enjoy her books. some people have different thresholds, as well as the fact that I believe that a lot of 14-15 year olds are mature enough to read this...
