**What country is Dacia from?** Dacia was founded in Romania in 1966, with a clear objective: to provide modern, reliable and affordable cars to all Romanians. Its name was taken from Dacia, the former name given by the Romans to the region now known as Romania.

**Is a Dacia just a Renault?** Dacia was founded in Romania in 1966. The Renault Group bought the Romanian car manufacturer Dacia in September 1999. Through shared technology and production methods, Renault has helped Dacia become a global icon in its own right, selling to over 4 million customers worldwide.

**What happened with Dacia?** Aurelian (270–275) would formally relinquish Roman Dacia in 271 or 275 AD. He evacuated his troops and civilian administration from Dacia, and founded Dacia Aureliana with its capital at Serdica in Lower Moesia. The Romanized population still left was abandoned, and its fate after the Roman withdrawal is controversial.

**Why did the Romans abandon Dacia?** The tribes in Dacia had raided into Roman territory numerous times and had emerged as a serious threat to the empire. After previous emperors had beaten back the Dacians the Dacians had fortified their border with forts and other defensive fortifications.

**Why are Dacia cars so cheap?** Dacia cars' affordability is a result of a combination of factors such as simplified design, shared components, lean production, and strategic manufacturing locations. This cost-effective approach has allowed Dacia to cater to budget-conscious consumers and gain a significant market share.

**Why is Dacia so popular?** Luke Broad, Dacia Brand Director for the UK said: "We are seeing that the popularity of our brand has been skyrocketing over the past few

years, driven largely by our super simple range, our very well-equipped cars and our unbeatable value for money. It's great to see a record month for the Dacia brand.

**Is Dacia good quality?** If you are looking for an affordable, reliable, and car that comes with a five-year/100,000-mile warranty, then a Dacia is the perfect choice for you.

**Does Dacia still exist?** The company was established in 1966. In 1999, after 33 years, the Romanian government sold Dacia to the French car manufacturer Groupe Renault. It is Romania's largest company by revenue and the largest exporter, constituting 8% of the country's total exports in 2018.

**Who makes Dacia engines?** Who Makes Dacia Engines? Dacia's engines are crafted under the expertise of its parent company, Groupe Renault. Renowned for its engineering prowess, Groupe Renault takes on the responsibility of manufacturing the engines that power Dacia vehicles.

**Why is Romania not called Dacia?** The old name of Romania, is actually Dacia. The name of Romania (România) comes from the Romanian Român, which is a derivative of the Latin adjective Romanus (Roman). Romanians are a people living in Eastern Europe speaking a Romance language.

**Is Dacia now Romania?** It thus roughly corresponds to present-day Romania, as well as parts of Moldova, Bulgaria, Serbia, Hungary, Slovakia, and Ukraine. A Dacian kingdom that united the Dacians and the Getae people existed between 82 BC until the Roman conquest in AD 106, reaching its height under King Burebista.

**What does Joyce Meyer say about emotions?** If we continue to let our emotions rule over us, there's no way we'll ever be the person we were meant to be. Of course, none of us will ever be totally rid of emotions, but we must learn to manage and control them—not let them control us.

**What does Eckhart Tolle say about emotions?** The deeper emotions are not really emotions at all but states of Being. Emotions exist within the realm of opposites. States of Being can be obscured, but they have no opposite. They emanate from within you as the love, joy, and peace that are aspects of your true nature.

**What are the four core emotions?** There are four kinds of basic emotions: happiness, sadness, fear, and anger, which are differentially associated with three core affects: reward (happiness), punishment (sadness), and stress (fear and anger).

**What is a famous quote about emotions?** “Your emotions are the slaves to your thoughts, and you are the slave to your emotions.” “What worries you, masters you.” “Feelings are something you have; not something you are.” “The most important decision you make is to be in a good mood.”

**How to let emotions move through you?**

**How do you transmute emotional energy?**

**What is the most purest emotion?** Love, fear, sadness and anger. Love is happiness at its most intense. It is the most positive, perhaps the purest, emotion we can feel.

**What emotion is behind anger?** Anger is often a reaction to and distraction from inner suffering—feelings such as sadness, powerlessness, shame, anxiety, inadequacy, and isolation. Anger can be both an outgrowth of, and meaningful distraction, from the intense pain of underlying depression.

**Which is the master emotion?** Shame is the most powerful, master emotion. It's the fear that we're not good enough.
