20. **Pristine:** Pure and unspoiled.

21-100:

(Full list to be provided in a separate section)

How to Master 100 New Words

1. Daily reading: Immerse yourself in classic literature, articles, and newspapers to encounter a wide range of words.
2. Flashcards: Create flashcards with the new words and their definitions. Review them regularly.
3. Spaced repetition: Use spaced repetition techniques to strengthen your memory of the words over time.
4. Contextual learning: Try to use the new words in conversations, emails, or writing assignments.
5. Vocabulary apps: Utilize vocabulary building apps that provide quizzes and games to make learning enjoyable.

Remember, expanding your vocabulary is not just about learning new words, but also about understanding their nuances and using them appropriately. By consistently incorporating these words into your speech and writing, you can elevate your communication skills and project an image of intelligence and articulation.
