Does the Constitution give Congress stated or powers? The Constitution grants Congress the sole authority to enact legislation and declare war, the right to confirm or reject many Presidential appointments, and substantial investigative powers.

What is the act of accusing public officials of misconduct reserved to the House of Representatives? Impeachment is a process by which a legislative body or other legally constituted tribunal initiates charges against a public official for misconduct. It may be understood as a unique process involving both political and legal elements.

What is to draw an irregularly shaped voting district that ensures one party? In representative electoral systems, gerrymandering (/ˈdʒɪˈmændərɪŋ/, originally /ˈdʒɪˈmændərɪŋ/) is the political manipulation of electoral district boundaries with the intent to create undue advantage for a party, group, or socioeconomic class within the constituency.

What is a person hired by a private group to affect lawmakers decision making processes? Lobbyists have various tools at their disposal to influence legislation. They can provide expertise information to legislator, give campaign contributions, and lobby legislative and executive branch officials to act on behalf. Lobbying works well for interest groups.

What are the stated powers of Congress? The Constitution assigned to Congress responsibility for organizing the executive and judicial branches, raising revenue, declaring war, and making all laws necessary for executing these powers.

What is the Chapter 6 of the Constitution? It is the law established to implement the requirements of Leadership and Integrity(Chapter Six of the Constitution). 4.

What is the purpose of LIA? It is to ensure that State and Public officers respect the values, principles and requirements of the Constitution.

Who has the power to punish congressmen for inappropriate behavior? Article I, section 5 of the United States Constitution provides that "Each House [of Congress] may determine the Rules of its proceedings, punish its members for disorderly behavior, and, with the concurrence of two-thirds, expel a member." Among the ways in which the Senate has disciplined its members is censure, ...

What is the most serious action taken against a member of Congress for misconduct? The U.S. Constitution expressly grants each house of Congress the power to "punish its Members for disorderly Behaviour, and, with the Concurrence of two thirds, expel a Member." Expulsion is the process by which a house of Congress removes one of its Members after the Member has been duly elected and seated.

What are crimes of official misconduct? Lord Mansfield's definition of official misconduct encompasses five principles: fraud in office, willful neglect of duty, abuse of official power, excess of official authority, and oppression or the unauthorized intentional infliction of injury upon a person.

Which type of gerrymandering is illegal? In 1995 the Supreme Court came to a 5–4 decision during *Miller v. Johnson* that racial gerrymandering is a violation of constitutional rights and upheld decisions against redistricting that is purposely devised based on race.

What is it called when one party uses the redistricting process to gain an advantage in elections? Gerrymandering is the manipulation of the redistricting process for political gain; this is also known as. partisan gerrymandering or partisan redistricting.

Why is the Senate called a continuous body? The rotation of senators, and the fact that two thirds of its members carry over from Congress to Congress, established the idea that the Senate is a "continuing body"—unlike the House of Representatives, whose entire membership faces election every two years.

Who can declare war in the constitution? The Constitution grants Congress the sole power to declare war. Congress has declared war on 11 occasions, including its

first declaration of war with Great Britain in 1812.

What is it called when people participate directly in making government decisions instead of choosing representatives to do this for them? direct democracy, forms of direct participation of citizens in democratic decision making, in contrast to indirect or representative democracy. Direct democracies may operate through an assembly of citizens or by means of referenda and initiatives in which citizens vote on issues instead of for candidates or parties.

What is a group trying to influence politicians in decisions called? political science. Also known as: advocacy group, pressure group, special interest group.

Who declares a law unconstitutional? The best-known power of the Supreme Court is judicial review, or the ability of the Court to declare a Legislative or Executive act in violation of the Constitution, is not found within the text of the Constitution itself. The Court established this doctrine in the case of Marbury v. Madison (1803).

Who has exclusive powers? Exclusive powers are those powers reserved to the federal government or the states. Concurrent powers are powers shared by the federal government and the states. Only the federal government can coin money, regulate the mail, declare war, or conduct foreign affairs.

How powerful is a senator? The Senate has exclusive power to confirm U.S. presidential appointments to high offices, approve or reject treaties, and try cases of impeachment brought by the House. The Senate and the House provide a check and balance on the powers of the executive and judicial branches of government. Washington, D.C.

Why is article 6 important? Often referred to as the supremacy clause, this article says that when state law is in conflict with federal law, federal law must prevail.

What is the Article 6 for dummies? Referred to as the “supremacy clause,” this article declares that the Constitution and the laws and treaties of the federal government are the highest in the land. While state courts rule on state laws, the federal courts can step in and order changes if the state laws go against federal law.

What is Article 6 called in the Constitution? Article VI - Supremacy and Oaths.

Has a congressman ever been expelled? Expulsions from Congress. In the entire history of the United States Congress, 21 members have been expelled: 15 from the Senate and six from the House of Representatives. Of these 21 members, 17 were expelled for supporting the Confederate States in 1861 and 1862. One member's expulsion, Senator William K.

What is the only crime that Congress can punish? The Constitution vests Congress with explicit authority to enact criminal laws relating to counterfeiting, piracy, crimes on the high seas, offenses against the law of nations, and treason. It grants Congress other broad powers, such as the power to regulate interstate commerce.

Who enforces the 13th Amendment? Congress shall have power to enforce this article by appropriate legislation. Passed by Congress January 31, 1865. Ratified December 6, 1865. Note: A portion of Article IV, section 2, of the Constitution was superseded by the 13th Amendment.

Does the Constitution give the states power? Amendment Ten to the Constitution was ratified on December 15, 1791. It makes clear that any powers that are not specifically given to the federal government, nor withheld from the states, are reserved to those respective states, or to the people at large.

What powers does the Constitution not give to Congress? Section 9 Powers Denied Congress No Bill of Attainder or ex post facto Law shall be passed. No Capitation, or other direct, Tax shall be laid, unless in Proportion to the Census or enumeration herein before directed to be taken. No Tax or Duty shall be laid on Articles exported from any State.

Are powers directly stated in the Constitution? Enumerated powers are the powers granted to the Federal government, and specifically Congress, which are mostly listed in Article I, Section 8 of the U.S. Constitution.

Why does the Constitution give implied powers to Congress? History of Implied Powers of Congress The concept of implied powers in the Constitution is far from new. The framers knew that the 27 expressed powers listed in Article I, Section 8 would never be adequate to anticipate all of the unforeseeable situations and issues

Congress would need to address through the years.

What is our 4th Amendment right? The Constitution, through the Fourth Amendment, protects people from unreasonable searches and seizures by the government. The Fourth Amendment, however, is not a guarantee against all searches and seizures, but only those that are deemed unreasonable under the law.

Which article gives power to the states? (a) The constitutional provisions in India on the subject of distribution of legislative powers between the Union and the States are spread out over several articles (articles 245-254). However, the most important of those provisions – i.e, the basic one – is that contained in articles 245-246.
