1. What is the Lottery?

The Lottery is an annual event in the village, where each family draws a slip of paper from a black box. The family that draws the slip with the black dot is then stoned to death by the other villagers.

2. Why do the villagers continue to hold the Lottery?

The villagers believe that the Lottery brings them good luck and prosperity. They have held it for centuries, despite its gruesome consequences.

3. What is the significance of the black box?

The black box is a symbol of fate and the unpredictable nature of life. Each family's slip of paper represents their destiny, and the black dot symbolizes their inevitable doom.

4. How does the Lottery demonstrate the power of conformity?

When Tessie Hutchinson realizes that her family has drawn the black dot, she protests the Lottery's unfairness. However, the villagers refuse to listen, driven by their fear and the weight of tradition. They blindly follow the rules, even though they know it is wrong.

5. What is the overall message of "The Lottery"?
