## [Download Complete File](#)

**Who is the random guy in The Scorch Trials?** Bryce Romero is uncredited in the film's credits for The Scorch Trials but many sources like IMDb list him as the character Jack. Wes Ball confirmed his name in the audio commentary on the deleted scenes. Jack also appeared in another deleted scene, "Food Fight."

**Who is the bad guy in Scorch trials?** The Scorch Trials. In The Scorch Trials, Janson appeared as the leader of the WCKD facility Thomas, Teresa, Newt, Minho, Frypan, Winston, Jack and Tim are brought inside.

**What happened to the kids in Scorch trials?** Years later, shortly after being rescued from the Maze, Thomas and the remaining Gladers are taken to a facility run by Mr. Janson. He says that the facility is a haven protecting them from the "Cranks", infected humans that were zombified by the Flare virus.

**Who betrayed the group in Maze Runner?** Teresa's betrayal of Thomas leads to several Gladers being taken by WCKD, setting up a third movie. At the end of Maze Runner: The Scorch Trials, WCKD's attack against the Right Arm leads to Gladers like Minho, Aris, and Sonya getting captured.

**Why did Teresa kiss Aris?** Her mind was overtaken by something, and she was forced to kiss him. Thomas is sure now that Teresa is The Betrayer and has turned against him. Later, Teresa and Aris take Thomas aside. Teresa admits that she and Aris can speak telepathically.

**Did Brenda have a crush on Thomas?** Brenda has a crush on Thomas and flirts with him consistently.

**Who did Thomas kiss in The Scorch Trials?** So I finished the Scorch Trials book the other day and I keep thinking about this one few chapters. When Brenda kissed Thomas and he backed off she got later (when they got sober again) angry at him and literally guilt tripped him? Like, I love Brenda, really, but that was so out of character for me at that moment.

**Why was Newt not immune?** In the books, Newt got infected at some point in The Scorch Trials, most likely as they made their way through the city and were exposed to the Flare for the first time. So in the beginning of The Death Cure, he would have already had it for about a month, which is why he got worse so quickly.

**Is Maze Runner 4 cancelled?** Summary. Disney confirms Maze Runner 4 is in development, expanding the successful YA franchise with potential new storylines. Possible storylines for Maze Runner 4 include prequels or sequels, offering different directions and connections to the original trilogy.

**Why did Wicked create the Grievers?** The Grievers are cyborg-like creatures resembling both slugs and spiders. They were artificially created by WCKD for their labyrinths.

**Why did Thomas create the Maze?** Thomas tells the Keepers that he and Teresa were manipulated into designing the Maze because they share the gift of telepathy. He convinces the others that he and Teresa are now in as much danger as them, but he knows the way out. Thomas tells them in order to escape, they have to jump through the Griever Hole.

**Who survives Scorch Trials?** Eight Gladers escape the Wicked Complex. Thomas, Teresa, Minho, Newt, Frypan, Winston, Aris, and an unnamed Glader boy. The same eight are chased by Cranks in the abandoned mall; yet only seven survive. The unnamed Glader boy is never seen again for the rest of the movie.

**Who is the real villain in Maze Runner?** Assistant Director Janson, also known as simply Janson or the Rat Man in the books, is the main antagonist of The Maze Runner franchise. He was the highest-ranking official in the organization WICKED under Chancellor Ava Paige's command.

**Who almost died in The Maze Runner?** 1. First, while filming Maze Runner: The Death Cure (2018), Dylan O'Brien was hit by a car during a stunt and suffered multiple injuries. Dylan said that his accident "completely rewired" how he felt about being on set, and there was a time when he thought he'd never step foot on a set again.

**Why did Teresa call WICKED in Scorch trials?** Trickery: In The Scorch Trials, she was against the idea of Thomas and the others from them leaving the WCKD facility for she agreed with their methods in finding a cure to the Flare, but knowing that Thomas would refuse going back she secretly contacted Janson to send more WICKED soldiers to her and the groups ...

**How did Newt get infected?** They are driving through a tunnel which is filled with Cranks on the way to city and the car is attacked. Newt gets scratched by one of the Cranks on his right forearm, consequently infecting him with the virus.

**Why did Brenda kiss Thomas?** They stumbled on a Crank party and were captured by three Cranks who forcedly drugged them. Brenda, along with Thomas, started reacting to the drink, and Brenda tried to kiss Thomas. He resisted, saying she was not Teresa and that she could never be her, before they both passed out from exhaustion.

**Who is Brenda's love interest Maze Runner?** Thomas (best friend and love interest) Teresa Agnes (deceased) Newt (deceased)

**Who has a crush on Thomas?** Emily may have a crush on Thomas and sometimes displays that in episodes and it's a possibility that Thomas may feel the same.

**Why is Newt called the glue?** But when Alby died, Newt became the leader. But then, all of the kids were given tattoos overnight in the dormitories, and Minho's said "The Leader"—so that's apparently it for Newt's role as leader. Now Newt is known as "The Glue." You can guess what this means: Newt is the guy who holds all of the Gladers together.

**Who is Thomas's love interest in Maze Runner?** Thomas whines about missing Teresa, but not Minho or Newt even though Thomas has spent more time with those two than he ever had with Teresa. Even in the first book, he has a few interactions

MAZE RUNNER THE SCORCH TRIALS CHUGUOORE

with Teresa at most before the other Gladers are already making comments about Teresa being Thomas' girlfriend.

**How did Brenda betray Thomas?** Answer and Explanation: In the first book, Maze Runner, Brenda and Jorge befriend and gain Thomas' trust and alliance, but he feels betrayed by them when he finds out that they secretly work for WICKED in the second book, The Scorch Trials.

**Is there a kissing scene in Maze Runner?** At the movie mid-time, a scene taking place in a club with some teens and young adults wearing sensual outfits are dancing close together. Many of them are shown in a stupor. At the club, a teen boy and girl characters were slightly inebriated, kiss passionately that lasts for seconds.

**Do Aris and Teresa kiss in the movie?** On their way, Teresa comes to Thomas with Aris. Teresa and Aris kiss, and she explains that she has been manipulating Thomas all along.

**Was Gally immune?** Sometime after being left behind in the WCKD lab by the Gladers, Gally is found still lying on the floor with the spear still in his chest by a crew, who, after discovering that he is immune to the Flare, pull the spear out of his chest and take him to the Last City to meet their leader, a Crank named Lawrence, who ...

**Is Newt alive in Maze Runner 4?** After returning to Denver, Thomas sees that Newt has succumbed to the Flare. Thomas answers Newt's pleas by shooting him in the head as an act of mercy. The group then discovers that Teresa and the other Immunes have been captured.

**Does Newt come back to life after death cure?** Newt really did die in the Maze Runner Series. He died in the third book, The Death cure.

**What happened to the unnamed Glader boy?** When the Grievers entered the Glade, this Glader ran away along with the other Gladers. Later, when Thomas and the group arrived at the village for Alby, this Glader was heard yelling as a Griever came charging at him. The Griever pummelled him to the ground and stung him in the head, killing him.

**Who is the brown guy in The Maze Runner?** Thomas Brodie-Sangster was born on 16 May 1990 in London, England, UK. He is an actor and producer, known for Maze Runner: The Scorch Trials (2015), The Maze Runner (2014) and Love Actually (2003) He has been married to Talulah Riley since 22 June 2024.

**Who is the boy in Maze Runner?** Thomas (Dylan O'Brien) finds himself thrust rudely into the world of the Glade: a community of boys who have figured out how to live while encircled by a giant, constantly changing maze, within which dwell giant, boy-eating monsters known only as Grievers.

**Who is the bully in The Maze Runner?** Gally. The Keeper of the Builders. Gally is a loudmouthed bully. As the main antagonist, he makes no secret of his dislike and distrust for Thomas.

**Who is the strongest Glader?** Thomas and others engage in a rough, sumo-like contest with Gally, the biggest and strongest of the Gladers.

**Why are all the Gladers boys?** They are two different variables of a same experiment. It's all a big test. They did experiments on how they would all react; that is why they have group A all boys to see how they react to the Glade and Teresa and group B all girls to see how they react to the Glade and Aris.

**Was Newt the second Glader?** Newt (books 1–3, 5–6) is a British Group A Glader and Alby's second-in-command. He has a slight limp from attempting suicide when he was a Runner.

**Who is the real villain in Maze Runner?** Assistant Director Janson, also known as simply Janson or the Rat Man in the books, is the main antagonist of The Maze Runner franchise. He was the highest-ranking official in the organization WICKED under Chancellor Ava Paige's command.

**How did Newt get infected?** They are driving through a tunnel which is filled with Cranks on the way to city and the car is attacked. Newt gets scratched by one of the Cranks on his right forearm, consequently infecting him with the virus.

**What is Newt's real name Maze Runner?** The Maze Runner (2014) - Thomas Brodie-Sangster as Newt - IMDb.

---

**Is there any Lgbtq in The Maze Runner?** The author never states that any of the characters are explicitly Lgbtq+. There isn't much romance anyway though, and only two real couples. The reason you may be confused is many people do believe that the main character (Thomas) is bi. He is shipped with Newt, and Minho.

**What is Minho's real name in The Maze Runner?** Ki Hong Lee (born September 30, 1986) is an American actor. He is best known for his roles as Minho in the Maze Runner film series and Dong Nguyen in the Netflix sitcom Unbreakable Kimmy Schmidt.

**Why did Thomas create the maze?** Thomas tells the Keepers that he and Teresa were manipulated into designing the Maze because they share the gift of telepathy. He convinces the others that he and Teresa are now in as much danger as them, but he knows the way out. Thomas tells them in order to escape, they have to jump through the Griever Hole.

**Why did Gally hate Thomas?** Gally's hatred of Thomas is ultimately driven by an unwavering commitment to rules and safety, as well as a deep desire to uncover the truth of the Gladers' circumstances.

**How was Gally alive?** Sometime after being left behind in the WCKD lab by the Gladers, Gally is found still lying on the floor with the spear still in his chest by a crew, who, after discovering that he is immune to the Flare, pull the spear out of his chest and take him to the Last City to meet their leader, a Crank named Lawrence, who ...
