

# CHAPTER 7 SECTION 1 THE FRENCH REVOLUTION BEGINS ANSWER

## [Download Complete File](#)

**When did the French revolution begin question answer?** The French Revolution began in 1789 and lasted until 1794. King Louis XVI needed more money, but had failed to raise more taxes when he had called a meeting of the Estates General. This instead turned into a protest about conditions in France.

**What was the slogan of the French revolution one word answer?** A legacy of the Age of Enlightenment, the motto "Liberté, Egalité, Fraternité" first appeared during the French Revolution. Although it was often called into question, it finally established itself under the Third Republic.

**What was the immediate cause of the French Revolution Short answer?**  
Answer: The immediate cause of the French Revolution was Financial Embarrassment. During the reign of Louis XVI, the government's finances were in a terrible state. This situation arose as a result of a succession of costly wars undertaken since Louis XIV's reign, as well as the court's corrupt luxury.

**What was the main aim of the French revolution answer?** The main aim of French revolutionaries was: Was to overthrow the monarchical rule and the 'Ancien regime' in France and the establishment of a republican government. To create a sense of collective identity amongst the French people by banning the estate system. Essential social changes based on liberalism.

**What was the French Revolution answer?** The French Revolution was a time of social and political upheaval in France and its colonies that began in 1789 and ended in 1799. Inspired by liberal and radical ideas, Its overthrow of the Monarchy influenced the decline of absolute Monarchies in other parts of Europe.

**Who won the French Revolution?** Napoleon Bonaparte. Napoleon crushed the opposition, which earned him the title First Consul for life. After an assassination plot was uncovered, Napoleon sought to abolish all unrest by declaring himself Emperor of France in 1804, ending the revolution.

**How old is France as a country?** The treaty of Verdun in 843 split the Frankish Empire into 3 parts, which were unified under the Capetian dynasty as the Kingdom of France in 987. The current France we know today was created in 1958. This means France (in its name) is as old as 1035 years, or as young as 64 years.

**Why did the French want equality?** The French had good reasons for wanting equality. Before 1789 inequality was typical of the old government. The nobles and clergy were the privileged orders. They were exempt from such direct taxes as the taille, or land tax.

**What is the French revolution saying?** Liberté, Egalité, et Fraternité – literally translated as liberty, equality, and fraternity – was the motto and rallying cry for the French people during the French Revolution. The object behind this phrase was clear: freedom for everyone.

**What caused the French revolution short term?** In the late 18th century France was on the brink of bankruptcy due to its involvement in the American Revolution and King Louis XVI's extravagant spending. This led to a people's revolt against the inequalities of French society, the corruption of royal officials, and despair owing to widespread economic hardship.

**How did the French revolution start?** On July 14, 1789, a group of Parisian revolutionaries seized the Bastille prison in a dramatic act of protest against King Louis XVI. The storming of the Bastille was the symbolic start of the French Revolution.

**What is the main causes of French Revolution?** The primary cause of the French Revolution was the dissatisfaction of the common people with the absolute monarchy of King Louis XVI. Other causes include economic inequality and social injustice. Answer. The French Revolution began on July 14, 1789, with the storming of the Bastille.

**What was the French revolution simplified?** The revolution brought down their king and made France a republic—a country ruled by the people. This republic did not last, but France never returned to its old, unequal form of society. In addition, the ideas of the French Revolution spread to many other countries.

**What was the French revolution main goal?** The French Revolution was a period of major social upheaval that began in 1787 and ended in 1799. It sought to completely change the relationship between the rulers and those they governed and to redefine the nature of political power.

**What was the conclusion of the French revolution?** Weakened by external threats and internal opposition, the Republic was replaced in 1795 by the Directory. Four years later, in 1799, the Consulate seized power in a military coup led by Napoleon Bonaparte. This is generally seen as marking the end of the Revolutionary period.

**What caused the French Revolution essay?** The French Revolution was caused by social inequality, economic depression, mistreatment from the monarchy, and the new idea of the Enlightenment Era.

**How did Napoleon rise to power?** How did Napoleon first gain power? Napoleon gained power due to his respected reputation as a military officer during the French Revolution. In 1799, Napoleon and his allies overthrew the French Directory government and established the French Consulate. Napoleon was elected, in a rigged election, the First Consul.

**What did the French Revolution of 1789 stand for answer?** Answer: The French Revolution of 1789 stands for equality, liberty and fraternity. The French Revolution of 1789 proclaimed the abolition of monarchy and establishment of French Republic. So the liberty became true due to the proclamation.

**Which side won in the French Revolution?** The Revolutionaries. They defeated every foreign pro-monarchist army sent against them and destroyed those holdouts loyal to Louis XVI; but out of their ranks rose a young, ambitious second lieutenant artilleryman - Napoleon Bonaparte - who scored victory after victory while his fame spread.

**What flag is France?** The "tricolore" (three-colour) flag is an emblem of the Fifth Republic. It had its origins in the union, at the time of the French Revolution, of the colours of the King (white) and the City of Paris (blue and red).

**Who won the French war?** Though Britain's victory in the French and Indian War expelled France from North America and secured massive territorial gains for the empire, subsequent Crown policies concerning taxation and westward expansion resulted in widespread colonial discontent.

**When did the French Revolution begin?**

**What happened on 14 July 1789?** The Storming of the Bastille On the morning of July 14, the people of Paris seized weapons from the armoury at the Invalides and marched in the direction of an ancient Royal fortress, the Bastille. After a bloody round of firing, the crowd broke into the Bastille and released the handful of prisoners held there.

**Was the French Revolution in 1792?** There is the French Revolution of 1789, which brought down the Monarchy and the ancien régime — and resulted in the beheading of King Louis XVI and his famous wife, Marie Antoinette. The Revolution lasted until 1792 at which point the National Assembly abolished the monarchy and declared the First Republic (1792-1799.)

**Why did the French Revolution start quizlet?** The French Revolution was caused by heavy taxation against the Third Estate. The First and Second Estates had not paid taxes. The Third Estate was also being mistreated. This included starvation, murder, and torture of the Third Estate.

**Where can I download car repair manuals for free?**

**How much horsepower does a stock Chevy 350 TBI have?** These vehicles featured a 350 ci, 5.7 Small Block Chevy with TBI (throttle body injected) EFI system, and swirl port heads. Producing up to 210 hp in factory spec, this engine can also be retrofitted into an older car with a performance carburetor to produce up to 250 hp.

**Who makes GM service manuals?** ACDelco® provides fulfillment and distribution of service manuals for all divisions of General Motors.

**What is GM service information?** GENERAL MOTORS VEHICLE SERVICE REPAIR MANUALS Service repair manuals for GM vehicles are included within GM Service Information (Si). Si is a comprehensive collection of vehicle diagnostic and service repair manuals for GM vehicles, so your shop has everything you need to help promote safe, proper repairs.

**Can you download alldata for free?** To download and install the ALLDATA app: Open the Windows Store. Search for ALLDATA. Select the ALLDATA app. Tap Free.

**Where can I download manuals for free?**

**How much power can a 5.7 tbi make?** It's possible to make around 275 hp with a stock TBI unit, so rather than go nuts on a heavily modified TBI, I'd suggest you start by making sure the existing TBI unit and injectors are in good shape.

**What is the difference between 350 TBI and 350 Vortec?** The differences between them are that the TBI had the injectors right in front of the throttle plate, where the Vortec placed the injectors behind the throttle plate; and the TBI was a speed density system, whereas the Vortec used a mass airflow system to manage the fuel-injection system.

**What does 350 TBI stand for?** Throttle Body Injection (TBI) TBI, which is basically one step up from a carburetor, is found on older vehicles. As was mentioned, the setup uses one or two throttle body-mounted injectors to spray fuel into the intake manifold.

**Can I get a car manual for free?** Many car companies provide downloadable owner's manuals for free on their websites. PDF files that can be viewed online or saved to your computer or other device are available from almost every car company, and some automakers also host searchable web manuals.

**How do I get a repair manual for my car?** To purchase a repair or service manual, we suggest calling or visiting the parts counter at your local dealer. Feel free to use our Dealer Search tool to find contact information for dealers in your area.

---

**What is the website with all car repair manuals?** For this I personally use and recommend ALLDATAdiy. With full manuals for over 30,000 vehicles online, you will find an exact match for your vehicle's year, make and model.

**Where can I download workshop manuals?** One great resource for downloading workshop manuals is Workshop-Manuals.com. This website offers a wide range of manuals from various manufacturers and models that you can download in PDF format. You'll find everything from engine repair guides to wiring diagrams and more.

## **With C6.6 Engine: Questions and Answers**

### **1. What is the C6.6 engine?**

The C6.6 engine is a 6.6-liter diesel engine manufactured by Caterpillar. It is widely used in a variety of applications, including trucks, buses, and construction equipment.

### **2. What are the benefits of using the C6.6 engine?**

The C6.6 engine offers several benefits, including:

- **Reliability and durability:** The C6.6 engine is known for its rugged construction and long service life.
- **Fuel efficiency:** The C6.6 engine is designed to provide excellent fuel economy, helping to reduce operating costs.
- **Low emissions:** The C6.6 engine meets the latest emission standards, minimizing its environmental impact.

### **3. What are the applications of the C6.6 engine?**

The C6.6 engine is used in a wide range of applications, such as:

- **Trucks:** Heavy-duty trucks, medium-duty trucks, and light-duty trucks
- **Buses:** School buses, transit buses, and motorcoaches
- **Construction equipment:** Excavators, loaders, and dozers

### **4. How is the C6.6 engine maintained?**

---

The C6.6 engine requires regular maintenance to keep it running smoothly and efficiently. This includes:

- Changing the oil and filter
- Replacing the fuel filter
- Inspecting and cleaning the air filter
- Checking the coolant level
- Servicing the fuel injection system

## **5. Where can I find more information about the C6.6 engine?**

More information about the C6.6 engine can be found on the Caterpillar website or from authorized Caterpillar dealers. These resources can provide detailed specifications, brochures, and support materials.

## **ZXR10 2920/2928/2952 V1.0 Access Switch User Manual: Frequently Asked Questions**

### **Q: What are the key features of the ZXR10 2920/2928/2952 V1.0 Access Switch?**

A: These switches provide high-performance Gigabit Ethernet connectivity, supporting up to 48 10/100/1000BASE-T ports and 4 SFP+ uplinks. They feature advanced security mechanisms, including ACLs, Port Security, and RADIUS authentication. The switches also offer QoS capabilities for prioritizing network traffic and ensuring smooth performance.

### **Q: What are the management options available for these switches?**

A: The ZXR10 2920/2928/2952 V1.0 switches support various management options, including Command Line Interface (CLI), Simple Network Management Protocol (SNMP), and a web-based Graphical User Interface (GUI). This allows for flexible configuration and monitoring of the switches.

### **Q: How do I configure Quality of Service (QoS) on these switches?**

A: QoS can be configured using the CLI or GUI. To prioritize network traffic, you can create traffic classes and assign them different priority levels. The switches support various QoS mechanisms, including DiffServ, IP Precedence, and DSCP.

**Q: What are the recommended practices for securing these switches?**

A: To enhance security, implement strong passwords, enable RADIUS authentication for user access, and configure Access Control Lists (ACLs) to control network traffic. Use Port Security to limit the number of MAC addresses allowed on each port and consider implementing MAC address filtering.

**Q: Where can I find more information on the ZXR10 2920/2928/2952 V1.0 Access Switch?**

A: The complete user manual for the ZXR10 2920/2928/2952 V1.0 Access Switch is available online. It provides detailed instructions on installation, configuration, management, and troubleshooting. You can access the user manual through the manufacturer's website or third-party documentation repositories.
