

# CHAPTER 7 LORD OF THE FLIES

## QUESTIONS ANSWERS

### [Download Complete File](#)

**What are questions to ask in chapter 7 of Lord of the Flies?**

**What happens in chapter 7 of Lord of the Flies?** Lord of the Flies Chapter 7 Summary Ralph wishes he could bathe, wash his clothes, brush his teeth, cut his hair, and clip his nails. The group becomes distracted by trying to hunt a wild boar. While Ralph manages to hit the pig's snout with his spear, it escapes, and the boys pretend that Robert is a pig.

**What are three things Ralph longs for?** 'cut this hair' / 'have a bath' / 'a toothbrush would come in handy' - the things which Ralph longs for are all symbols of a civilised lifestyle.

**When the boys try to re-enact the pig hunt, what happens to Robert?** What happens when the boys start chanting, dancing, and re-enacting the hunt? Ralph gets scared and runs away. Piggy tells them they shouldn't do that. Robert gets hurt when they pretend he is the boar.

**What happened in chapter 7?** A chapter 7 bankruptcy case does not involve the filing of a plan of repayment as in chapter 13. Instead, the bankruptcy trustee gathers and sells the debtor's nonexempt assets and uses the proceeds of such assets to pay holders of claims (creditors) in accordance with the provisions of the Bankruptcy Code.

**What does Simon predict in chapter 7?** Simon joins him and, seemingly reading his mind, prophesies that Ralph will make it back home.

**Who almost died in Chapter 7 of Lord of the Flies?** Chapter 7. The boys reenact the boar hunt from earlier in the day with a boy named Robert pretending to be the boar, but the boys take things too far and almost kill him.

**Why does Simon go off alone in chapter 7?** In Chapter 7 of Lord of the Flies, Simon goes off alone to alert Piggy that they would be returning after dark. He lets Ralph know that this is what he's doing, not caring what Ralph says, and thus leaves before Ralph can respond.

**What is the foreshadowing in Chapter 7 of Lord of the Flies?** Foreshadowing: Ralph stabs a pig on a hunt with the others and becomes overly excited and proud. This foreshadows that he may be transforming into a savage like most of the hunters. He may undergo a change in character to fit the new group that is forming behind Jack and his hunters.

**What do the boys actually see in chapter 7?** Final answer: In 'Lord of the Flies' Chapter 7, the boys think they find a beast on the mountain, but it is actually a dead parachutist causing their fear.

**What does Ralph long for in Chapter 7?** Summary and Analysis Chapter 7. Ralph now longs for the comfort of the familiar, but the home he wishes for is a glamorized ideal.

**What was Ralph's main goal?** Ralph's goal is to maintain order and work towards rescue. Although Jack appears to agree on this goal, his actions obstruct Ralph from attaining his goal. Ralph's decision to challenge Jack proves a crucial plot point, as the tensions between the two boys result in the formation of two separate, warring tribes.

**What important events happened in chapter 7 of Lord of the Flies?**

**What is Ralph's character shift in chapter 7?** Ralph's humanity is deteriorating; his savage self has been touched and awakened. Armed with this understanding, he is able to see Jack "infuriatingly, for the first time," recognizing that he could have potentially used Jack as a resource all this time rather than competing with him.

**How is Ralph's reaction to hunting different in chapter 7?** Final answer: In Chapter 7 of Lord of the Flies, Ralph's attitude towards hunting changes from seeing it as a distraction to participating in it, indicating his growing fascination with the power and thrill of savagery.

**What are some questions for Lord of the Flies?**

**What does Ralph ask Jack in Chapter 7 of Lord of the Flies?** In Chapter 7 of Lord of the Flies, why does Ralph ask Jack if he hates him? At this point in the story, as Jack and Ralph work their way towards the mountain to investigate, there is a battle over leadership.

**Who almost died in Chapter 7 of Lord of the Flies?** Chapter 7. The boys reenact the boar hunt from earlier in the day with a boy named Robert pretending to be the boar, but the boys take things too far and almost kill him.

**What does Simon do in Chapter 7 Lord of the Flies?** In Chapter 7 of Lord of the Flies, Simon goes off alone to alert Piggy that they would be returning after dark. He lets Ralph know that this is what he's doing, not caring what Ralph says, and thus leaves before Ralph can respond.

**How does drawing improve your creativity?** Improve Your Creativity Creating art requires you to use your imagination efficiently. By using your imagination to come up with ideas, you improve your ability to visualize and process your own inner thoughts. Drawing enables you to express these inner concepts visually and continue developing your creativity.

**What is drawing and types of drawing?**

**How does drawing help you?** A study published in The Quarterly Journal of Experimental Psychology suggested that drawn words were better recalled than written. According to the study, drawing strengthens memory by perfectly integrating visual, semantic, and motor aspects of the memory trace.

**Does drawing make you happy?** IT MAKES YOU HAPPY: When you draw, you release Serotonin, Endorphins, Dopamine, and Norepinephrine. You don't have to be a famous artist to draw and doodle. Drawing also has calming effects, so if you're

stressed out, you may try to pick up a pencil. Read more about how drawing relieves stress.

**Why is drawing so powerful?** When students draw something, they process it in three different ways, in effect learning it three times over. \*The takeaway: Encourage students to draw. Doing so is a powerful tool to boost student learning because it improves recall by challenging students to explore an idea in different ways.

**How does art increase creativity?** This network allows us to generate new ideas by connecting disparate concepts, a process central to creativity. Art also triggers a response in our brain's reward system. The act of creating stimulates dopamine production, providing us with a sense of pleasure and motivation to continue our artistic endeavor.

**What is creative drawing?** This is a tool that encourages intuitive and creative thinking about the improvement of a current situation. The subsequent comparison of drawings enables participants to share their views of the present situation, and future possibilities, bringing forth shared visions and perceptions in the process.

**What are the 7 forms of art drawing?**

**What are the four basic drawing techniques?** By mastering sketching, shading, blending, and cross-hatching techniques, artists can create stunning pieces that convey depth, contrast, and texture.

**What happens to your brain when you draw?** Activates the Reward Center of Our Brain We previously mentioned the prefrontal cortex is affected by drawing, doodling, or coloring. The most interesting thing is that this area of the brain is related to the wiring of the brain's reward system.

**What does art do to the brain?** There is increasing evidence in rehabilitation medicine and the field of neuroscience that art enhances brain function by impacting brain wave patterns, emotions, and the nervous system. Art can also raise serotonin levels. These benefits don't just come from making art, they also occur by experiencing art.

**What are the 5 benefits of drawing?**

**Why do I stare at art?** It can make you feel good. A University of London study demonstrated that looking at beautiful (to the beholder) art can create an instant dopamine release, creating feelings of happiness and gratitude akin to looking at someone you love.

**Is drawing good for the soul?** It can be playful, stress relieving, meditative, great for increasing focus and problem solving skills and most of all good for the soul. Most children love to color and draw but as they grow a critical part steps in and as teenagers and adults they convince themselves that they absolutely can't draw or don't want to.

**Why do artists love drawing?** Drawing is a creative activity; it is for me like yoga or meditation. Drawing allows me to keep myself in focus. It's calming, it clears my head, and it's one of the most relaxing things I do for myself. It makes me feel like I can make anything happen and as if I can design my own world the way I like it.

**Is drawing a talent or ability?** Drawing is a skill and like with any other skill, you can't expect to get better without practicing it. So many people think that drawing is just something that some people can do and others can't. This simply is not true. Anyone can draw, but you have to want it enough to practice it.

**What does drawing teach you?** By learning to draw, you grasp fundamental concepts such as proportions, lines, and shapes. These skills lay a solid foundation for your artistic journey.

**What makes a drawing attractive?** The texture an art piece gives off is important in making it stand out. Highlights, shadows, and other light elements all play a part in creating texture in art pieces. Whether it be a photo, painting, or sketch, you can create depth and texture by simply even just adjusting the shadows and highlights.

**Why does art inspire people?** Art can help us make sense of our own emotions and gain a better understanding of how other people are feeling. It can even bring us closer together as it enables us to feel connected with the artist, even if we have never met them.

**How do artists get their creativity?** There are many ways to spark creativity for art-making, but the most important thing is to be open to it and constantly expose

yourself to different sources of inspiration. You never know when creative ideas will strike. This could mean going to art shows, browsing through books, or connecting with your peers.

**In what ways can art inspire creativity?** This process can help stimulate the brain and lead to new ideas and perspectives. In addition to its direct impact on the brain, art can also inspire creativity through its ability to communicate complex ideas and emotions. Many artists use their work as social commentary or to express their beliefs and experiences.

**What are the 5 benefits of drawing?**

**How does drawing enhance learning?** The creation of these models helps students to acquire and remember content knowledge, connect concepts into a big picture, process data, solve problems, and design and interpret experiments. Drawing models can also help motivate students and make them more self-aware of their own learning.

**Why is it necessary to be creative when making art?** Creativity is necessary in art making because it allows artists to communicate their ideas and emotions through their work. It also allows them to explore new ideas and techniques, and to push the boundaries of what is possible in art, which can lead to new and exciting artworks.

**Does drawing improve imagination?** Drawing from imagination can also lead to better creative thinking and more developed problem-solving skills in other areas. Learning how to draw has benefits that enhance our lives in many different ways.

**What are the 4 A's of defensive driving?** In the past, some have called the topics in this lesson Aggression, Alcohol, Accidents and Awareness. The Four A's – kind of catchy...

**What is the most basic principle of defensive driving?**

**What is the only key to defensive driving?** Be aware of your surroundings — pay attention. Check your mirrors frequently and scan conditions 20 to 30 seconds ahead of you. Keep your eyes moving. If a vehicle is showing signs of aggressive driving, slow down or pull over to avoid it.

**What is the core of defensive driving?** The core principles of defensive driving include awareness, anticipation, and reaction. Awareness involves monitoring the surroundings, monitoring other vehicles, and staying alert to potential hazards. Anticipation is predicting what other drivers might do and preparing for unexpected situations.

**What are the two rules of defensive driving?**

**What is the best defensive driving technique?**

**What are the two most important elements of defensive driving?** A defensive driver, always alert and anticipating potential risks, would have already been scanning the road for such unpredictable events. By maintaining a slower speed in residential areas and being vigilant, the defensive driver is prepared to react swiftly.

**What is the meaning of defensive driving?** Defensive driving is a set of safe responses to potential hazards, including other drivers, damaged road surfaces, debris, inclement weather, and more. Getting behind the wheel isn't risk-free, and employing defensive driving techniques can help keep you and other drivers safe.

**Does defensive driving course lower insurance in California?** California drivers could save up to 5% on applicable coverages by completing an approved defensive driving course. The easiest way to take advantage of this discount is through an online defensive driving course offered by either Defensive Driving by IMPROV, the National Safety Council or the American Safety Council.
