That means that when a player is one pass away on the perimeter, and his defender puts even one foot onto or over the “Read Line”, that player must basket cut.

What is the 3 out 2 in screen away offense? 3-Out 2-In Motion Offense Rules: This gives players space to cut and drive and makes it difficult for the defense to help each other. 2. Who Killed Karkare: The Real Face of Terrorism in India

Introduction

Hemant Karkare was a renowned Indian Police Service (IPS) officer who played a key role in fighting terrorism in India. Tragically, he was killed during the 26/11 Mumbai terror attacks in 2008. The question of who killed Karkare has haunted the nation ever since.

The Mumbai Terror Attacks

On November 26, 2008, ten Lashkar-e-Taiba (LeT) terrorists launched a coordinated attack on multiple locations in Mumbai, including the Taj Mahal Palace, Oberoi Trident, and Chhatrapati Shivaji Maharaj Terminus railway station. Karkare was among the first responders to the attacks.

Karkare's Death

Karkare, along with two other officers, was killed in an ambush by LeT terrorists at the Cama Hospital in Mumbai. The terrorists opened fire on their vehicle, killing Karkare and his colleagues instantly. His death was a devastating blow to the Indian police force and the nation as a whole.

The Investigation

An extensive investigation was conducted into the Mumbai terror attacks, including the killing of Karkare. The investigation revealed that the LeT was responsible for planning and executing the attacks. The terrorists were trained in Pakistan and had infiltrated India through the sea route.

Justice for Karkare

In 2013, a special court in Mumbai convicted six Pakistani men for their involvement in the Mumbai attacks. The court sentenced them to death, including Ajmal Kasab, the lone terrorist captured alive. However, the case remains under appeal in the Supreme Court of India. The pursuit of justice for Karkare and the other victims of the Mumbai attacks continues to this day.
