

NOTHING BUT THE TRUTH STUDY GUIDE QUESTIONS

[Download Complete File](#)

What happens to Miss Narwin at the end of Nothing But the Truth? Doane tells Ms. Narwin that the district is now willing to provide her funds to take her class but that the school wants her to take a paid leave for the rest of the term. Ms. Narwin assumes this offer is a prelude to being fired, so she resigns and heads to Florida, where her sister lives.

What is the message of the book "Nothing But the Truth"? The main theme of the novel is the subjectivity of truth and that while individual statements may be true, taken separately they may not give an accurate picture of an event. 177 pp. Nothing but the Truth won a 1992 Newbery Honor. The novel was later adapted into a play.

What two things does Coach Jamison suggest Philip do to clear up his problems with Miss Narwin? First, he suggested that Philip go talk to Miss Narwin. Secondly, he suggested Philip find out if he could do extra work to bring up the grade.

What do we learn about Miss Narwin as a teacher? It is quite obvious that Miss Narwin takes her job very seriously and truly cares about her students' learning. She takes great care in crafting her lessons, and she believes in challenging her students to think for themselves. She even volunteers for a class to help her become even better for her students.

Why does Philip cry at the end of nothing but the truth? Answer and Explanation: Philip cries on his first day at his new school because he is asked to lead students in singing the National Anthem, but he doesn't know the words. He caused many issues for many people at his old school because of his humming of

the song.

What does Miss Narwin think about Philip? How did Miss Narwin describe Philip and what was her opinion of him? Miss Narwin said that Philip was an intelligent boy, but he lacked ambition. She likes him.

What is the climax of *Nothing But the Truth*? In Avi's *Nothing But the Truth: A Documentary Novel*, the climax comes towards the end of the novel, when Philip Malloy is made to sing the national anthem and he bursts into tears as he confesses he does not have the words memorized.

What is the central conflict in the book *Nothing But the Truth*? In Avi's *Nothing But the Truth: A Documentary Novel*, the main conflict is between Philip Malloy and Harrison High School, as Ms. Margaret Narwin, Malloy's English teacher, suspended him from school for singing the national anthem when he is supposed to be at silent attention.

What is ironic about the book *Nothing But the Truth*? Avi uses irony to help his readers see the truth in Philip's situation: Philip must transfer to a school that has no track team, and once there, he is asked to lead his class in the "Star-Spangled Banner," finally admitting he doesn't know it.

Why does Philip ask Miss Narwin for extra work? So I guess we've got a problem."(Avi 27-28). So this upset Philip which created internal conflict for Philip since he couldn't be on the track team. So he went to ask Ms. Narwin for extra credit work to get his grade up so he could be on the track team.

What does Phillip fail to understand when he assumes that his father and other men in boats are searching for him? Phillip assume that his father and other men in boats are searching for him but what does he fail to understand? He fails to take into consideration that the war is more important, and everyone is busy.

What does Phillip do to solve the problem of his rescue smoke not being seen? He decides maybe the white smoke is hard to see against a blue sky. Phillip needs darker smoke. Oily things make dark smoke, so he begins to search the island. He realizes that the sea grape is oily, so he prepares sea grape to use to turn the signal fire smoke black.

Why is Mr. Malloy so proud of his son? Why is Mr. Malloy so proud of her son? Mr. Malloy thinks Philip is motivated by patriotism and is sticking up for his values.

What does Miss Narwin want to do if she could obtain a grant? Miss Narwin writes to Dr. Doane, Principal of Harrison High School, enclosing her application to the State Education Office for a summer grant-in-aid. She is hoping to attend a summer program at the State University entitled "New Approaches to the Teaching of Literature for Today's Students."

Who is Dr. Palleni in Nothing But the Truth? Answer and Explanation: In the book Avi's novel *Nothing But The Truth* (1992), Dr. Joseph Palleni is the Assistant Principal of Harrison High School, where Philip is studying. When Philip kept on humming the national anthem when he was supposed to be quiet, Miss Narwin sent him to Dr. Palleni's office.

What happens at the end of Nothing But the Truth? At the end of the book, Miss Narwin makes the decision to resign, the school district budget is defeated, and Ted Griffen is elected to the school board. Phil leaves Harrison High School to attend Washington Academy, a private school with no track team.

What happens at the end of the truth as told by Mason Buttle? Near the end of the novel, someone frames Mason, making it appear as though he sawed through a rung in the ladder and caused Benny's death. Mason finds his lost handsaw in the Drinker's garage while watching their dog, and soon the truth comes out: Matt Drinker and Lance Pierson caused Benny's death.

What happens at the end of the book The Honest Truth? Lying on the ground with Beau, Mark watches the clouds clear and reveal Mt. Rainier ahead, and he realizes how much he not only needs his family and friends' help, but he wants it. He descends the mountain until he stumbles from pain, hunger, and exhaustion, and he closes his eyes to die.

What is the conclusion of Nothing But the Truth? Conclusion: "Nothing but the Truth" masterfully illustrates how the build-up of various factors, including identity struggles, media bias, racial tensions, and political corruption, lead to Sipho's explosive outburst.

What are some study questions on Things Fall Apart?

What is the theme question of Things Fall Apart? A recurring thematic question in Things Fall Apart is to what degree the collapse of the Ibo and the downfall of Okonkwo are due to their own internal weaknesses or the whims of a pernicious fate.

Why is Ezinma so special to Okonkwo? Ezinma is Okonkwo's favorite child because she possesses traits that he would like to see in his sons, such as strength and determination. Ezinma sits like a boy and asks to do the chores that a boy would typically do. Okonkwo cares for Ezinma when she is sick. He makes medicine for her and looks after her.

What are the main points of Things Fall Apart? These themes include colonization, family, religion, tradition, language, masculinity, and fate and free will. Things Fall Apart follows Okonkwo, the novel's protagonist, as he navigates relationships with his family, community, and culture all while his culture is being erased through colonization.

Why does Okonkwo hang himself? Okonkwo hangs himself because he cannot stand to watch his culture die out under the weight of colonialism. He has always had great pride in his tribe.

Why was Ikemefuna killed? Okonkwo kills Ikemefuna because he does not want to be thought as weak by the other men who are with him. The theme of tradition can be seen in the ultimate reason for Ikemefuna's death. He is murdered because the oracle has decided he must be killed to atone for the killing of a young Umuofian woman.

How many wives does Okonkwo have? Okonkwo's Wives Okonkwo has three wives in the novel. His first wife is only referred to as "first wife" or "Nwoye's mother", Ekwefi is his second wife and the mother of Ezinma, and Ojiugo is his youngest and third wife. Okonkwo sees his wives as his property and reduces their value to servitude.

What is the main argument of Things Fall Apart? What is the main message of "Things Fall Apart"? Things Fall Apart is about the struggle between change and tradition, which is amplified by the introduction of Christianity. This struggle is

portrayed individually through Okonkwo and societally by the actions of his fellow clansmen.

Why did Okonkwo get exiled? Okonkwo's gun accidentally goes off and kills Ezeudu's sixteen-year-old son. Killing a clansman is a crime against the earth goddess, so Okonkwo must atone by taking his family into exile for seven years. Okonkwo gathers his most valuable belongings and takes his family to his mother's natal village, Mbanta.

Why is Ezinma not allowed to eat eggs? She is also indulgent and allows Ezinma to eat eggs even though they're not considered appropriate for children in their culture. Eggs are considered a delicacy and adults believed that giving children such precious food would encourage them to steal.

Who is Okonkwo's favorite wife? Chinua Achebe's 1958 novel *Things Fall Apart* follows an Igbo leader, Okonkwo, through his tumultuous life in colonial Nigeria. His second wife Ekwefi is perhaps his favorite of all of his wives, and her daughter is by far his favorite child.

Why did Okonkwo beat his wife? During the Week of Peace, Okonkwo notices that his youngest wife, Ojiugo, has left her hut to have her hair braided without having cooked dinner. He beats her for her negligence, shamefully breaking the peace of the sacred week in a transgression known as *nso-ani*.

What is Okonkwo's tragic flaw? The protagonist of *Things Fall Apart*, Okonkwo is also considered a tragic hero. A tragic hero holds a position of power and prestige, chooses his course of action, possesses a tragic flaw, and gains awareness of circumstances that lead to his fall. Okonkwo's tragic flaw is his fear of weakness and failure.

What does Okonkwo symbolize? In *'Things Fall Apart'*, the main character, Okonkwo, is often described in terms of fire and flames - his nickname is even *'Roaring Flame'* - so, to him, fire symbolizes potential, masculinity, and life. Okonkwo is a lot like a fire, really. He only ever allows himself to show one emotion: anger.

Is Umuofia a real place? The *Things Fall Apart* setting takes place in Africa, specifically in the southeastern tip of Nigeria. The book's protagonist lives in the

fictional village of Umuofia, which is part of a cluster of nine Igbo villages in the area.

Why is Okonkwo's death ironic? In *Things Fall Apart*, the irony is that a proud, successful, and important man such as Okonkwo ends up hanging himself. It's tragic irony because the reader has many hints that this might happen. The reader sees on multiple occasions that Okonkwo doesn't deal well with change.

Why does Okonkwo call himself a shivering old woman? In calling himself a “shivering old woman,” Okonkwo associates weakness with femininity. Although he denigrates his emotional attachment to Ikemefuna, he seeks comfort in his affectionate friendship with Obierika.

What does Okonkwo's death mean? Okonkwo's death comes because he realizes that he has failed both the people and their goddess, Ani. Though he has the spirit to endure misfortunes such as the loss of his yams during the drought that hit Umuofia, the traumas of exile, and the humiliation of imprisonment, he does so with others.

Why are twins bad in *Things Fall Apart*? Igbo society viewed twins as a bad omen sent by the “Gods.” They considered twins as supernatural beings that could bring devastation upon society. In Chinua Achebe's acclaimed novel, *Things Fall Apart*, I learn that the Earth goddess had decreed that twins “were an offence on the land and must be destroyed.”

Was ikemefuna a girl? Ikemefuna is a 15-year-old boy given to the village of Umuofia in exchange for a woman that his father killed. Ikemefuna lives in Okonkwo's home for three years and grows close to Okonkwo's son, Nwoye. Okonkwo grows to love Ikemefuna like a son, and Nwoye loves him as a brother.

Who is Okonkwo's favorite child? 2. Who was Okonkwo's favorite child, and what did he often say about the child? His favorite child was Ezinma, daughter of Ekwefi. He often said it was a shame she wasn't a boy.

What kind of woman is Ekwefi? Ekwefi's history of loss and bitterness renders her a strong woman, capable of withstanding much pain and disappointment. This also leads to a sense of boldness in her, a rather unfeminine characteristic that sometimes annoys Okonkwo.

Why does Okonkwo wish Ezinma was a boy? Okonkwo remarks to himself multiple times that he wishes she had been born a boy, since he considers her to have such a masculine spirit. Ezinma alone seems to win Okonkwo's full attention, affection, and, ironically, respect. She and he are kindred spirits, which boosts her confidence and precociousness.

Why did Enoch unmask the Egwugwu? Enoch sparks conflict by unmasking an egwugwu during a ceremony to honor the earth goddess. Enoch does this because he believes that his conversion to Christianity makes him invincible. He is extremely quarrelsome and believes that his faith in Christianity will help him punish his enemies.

Is Chinua Achebe still alive? In 2012, Achebe published *There Was a Country: A Personal History of Biafra*. The work re-opened the discussion about the Nigerian Civil War. It would be his last publication during his lifetime; Achebe died after a short illness on 21 March 2013 in Boston, United States.

What is the final message of *Things Fall Apart*? As the book's title says, in his eyes, it seems that everything that he has known is falling apart: tradition, religion, uniqueness of his people... Writer wanted to show us how much some people are attached to their customs and beliefs. He ended his own life because he couldn't watch losing all that.

What is the deeper meaning of *Things Fall Apart*? As a story about a culture on the verge of change, *Things Fall Apart* deals with how the prospect and reality of change affect various characters. The tension about whether change should be privileged over tradition often involves questions of personal status.

What is the main message of the book *Things Fall Apart*? *Things Fall Apart* is about the struggle between change and tradition, which is amplified by the introduction of Christianity. This struggle is portrayed individually through Okonkwo and societally by the actions of his fellow clansmen.

What is the main problem in *Things Fall Apart*? Major conflict On one level, the conflict is between the traditional society of Umuofia and the new customs brought by the whites, which are in turn adopted by many of the villagers. Okonkwo also

struggles to be as different from his deceased father as possible.

What was the most important lesson in Things Fall Apart? The novel Things Fall Apart ultimately conveys the message that change is inevitable and that it is important to be open to new ideas and ways of life. Okonkwo's refusal to accept change leads to his downfall, while those who are more open to change are able to adapt and survive.

What is the big idea of Things Fall Apart? The Struggle Between Change and Tradition As a story about a culture on the verge of change, Things Fall Apart deals with how the prospect and reality of change affect various characters. The tension about whether change should be privileged over tradition often involves questions of personal status.

How many wives did Okonkwo have? Okonkwo's Wives Okonkwo has three wives in the novel. His first wife is only referred to as "first wife" or "Nwoye's mother", Ekwefi is his second wife and the mother of Ezinma, and Ojiugo is his youngest and third wife.

What is the central idea of Things Fall Apart? Quick answer: The main ideas of Achebe's Things Fall Apart include colonization and masculinity. Okonkwo, the main character, wants to be viewed as powerful and masculine. Ultimately, he takes his own life after witnessing the rising power and influence of British colonization.

What grade level is Things Fall Apart? Lexile Measure of the Book This guide provides the Lexile® measure for every chapter in this book and is intended to help inform instruction. This book's Lexile measure is 890L and is frequently taught in the 9th and 10th grade.

Why were twins killed in Things Fall Apart? twins two born at the same birth. Here, according to Igbo custom, twins are considered evil and must be placed in earthenware pots and left to die in the forest.

How do Things Fall Apart relate to real life? For example, a real-life tragedy at the community of Ahiara serves as the historical model for the massacre of the village of Abame in Chapter 15 of Things Fall Apart. On November 16, 1905, a white man rode his bicycle into Ahiara and was killed by the natives.

What is the primary purpose of *Things Fall Apart*? He wants to set the records straight about the complexity and nobility of the Igbo people and their traditional way of life. He wants to correct his people's misconceptions about themselves, ones enforced by years of British imperialist education that has taught them that they are inferior.

What is the significance of the ending of *Things Fall Apart*? Okonkwo's death also has another, culturally specific implication. As the narrator explains, the Igbo consider suicide a “feminine” rather than a “masculine” crime. Okonkwo's suicide is an unspeakable act that strips him of all honor and denies him the right to an honorable burial.

What is the conclusion of *Things Fall Apart*? When none of the other clansmen attempt to stop the messengers who escape, Okonkwo realizes that they will never go to war and that Umuofia will surrender. Everything has fallen apart for Okonkwo; he commits suicide by hanging himself.

What is an important quote from *Things Fall Apart*? A man belongs to his fatherland when things are good and life is sweet. But when there is sorrow and bitterness he finds refuge in his motherland.

What does *Things Fall Apart* symbolize? “*Things Fall Apart*” by Chinua Achebe portrays the clash between African traditional culture and the forces of colonialism. Through the story of Okonkwo, a proud Igbo warrior, Achebe explores themes of cultural identity, change, and the impact of external influences on indigenous societies.

What does Umuofia mean? Umuofia The community name, which means children of the forest and a land undisturbed by European influences. Unoka Okonkwo's father's name; its translation, home is supreme, implies a tendency to stay home and loaf instead of achieve fame and heroism.

Why is NWOYE important in *Things Fall Apart*? Nwoye symbolizes both change and Christianity. Growing up Nwoye is timid and weak but also sensitive and caring. He changes when he realizes the right way to be courageous is by following his calling to Christianity. He becomes bolder and converts to Christianity because he

has always embodied its values.

What size are youth soccer goals?

What size ball does youth soccer use?

What size ball does the U12 use? Players in the U10-U12 age range typically use a “Size 4” or “Size 5” soccer ball. This transition depends on factors such as the players' physical development, skill level, and the league's regulations.

UNMEB UACE Past Exam Papers: Mathematics

The Uganda National Examinations Board (UNEB) publishes past exam papers for the Uganda Advanced Certificate of Education (UACE) examination, including those for Mathematics. These papers provide valuable practice materials for students preparing for the exam.

Question:

Find the solution to the equation $|x + 2| = 5$

Answer:

$$|x + 2| = 5 \quad x + 2 = 5 \text{ or } x + 2 = -5 \quad x = 3 \text{ or } x = -7$$

Question:

A farmer has 100 meters of fencing to enclose a rectangular plot. Find the dimensions of the plot that maximize its area.

Answer:

Let the length of the plot be x meters and the width be y meters. Then, the area of the plot is given by $A = xy$. We also know that the perimeter of the plot is 100 meters, so $2x + 2y = 100$. Solving for y , we get $y = 50 - x$. Substituting this into the area equation, we get $A = x(50 - x)$. By taking the derivative of A with respect to x and setting it equal to zero, we find that $x = 25$. Substituting this value back into the equation for y , we get $y = 25$. Therefore, the dimensions of the plot that maximize its

area are 25 meters by 25 meters.

Question:

Find the value of $\sin(\pi/3) - \cos(\pi/4)$

Answer:

$\sin(\pi/3) = \sqrt{3}/2$ $\cos(\pi/4) = \sqrt{2}/2$ Therefore, $\sin(\pi/3) - \cos(\pi/4) = \sqrt{3}/2 - \sqrt{2}/2 = \sqrt{2}(\sqrt{3} - \sqrt{2})/2 = \sqrt{2}(\sqrt{6} - 2)/2 = (\sqrt{6} - 2)/\sqrt{2}$

Question:

The sum of two numbers is 10. Find their product if their difference is 2.

Answer:

Let the two numbers be x and y. Then, we have $x + y = 10$ and $x - y = 2$. Solving for x and y, we get $x = 6$ and $y = 4$. Therefore, their product is $xy = 6 * 4 = 24$.

Question:

A circle has a radius of 5 centimeters. Find the area of the sector of the circle that has an angle of 120 degrees.

Answer:

The area of a sector of a circle is given by $A = (\theta/360)\pi r^2$, where θ is the angle of the sector in degrees and r is the radius of the circle. In this case, $\theta = 120$ degrees and $r = 5$ centimeters. Therefore, the area of the sector is $A = (120/360)\pi(5)^2 = (1/3)\pi(25) = 25\pi/3$ square centimeters.
