

# Billy elliot welcome to penguin readers

## Download Complete File

**Is Billy Elliot suitable for a 12 year old?** Parents need to know that the uplifting dramedy Billy Elliot is rated R primarily for language (an edited version was released on DVD with a PG-13 rating, but it's no longer easy to find for rental or sale) -- everyone in the movie uses extremely strong language all the time.

**Was Tom Holland in Billy Elliot?** English actor Tom Holland started his acting in theatre with a supporting role in 2008 for Billy Elliot the Musical and was promoted to the title role that year, which he played until 2010. He then made his film debut in the disaster drama The Impossible (2012) opposite Naomi Watts and Ewan McGregor.

**How old is Billy Elliot meant to be?** The life of 11-year-old Billy Elliot, a coal miner's son in Northern England, is forever changed one day when he stumbles upon a ballet class during his weekly boxing lesson. Before long, he finds himself in dance, demonstrating the kind of raw talent seldom seen by the class' exacting instructor, Mrs.

**Who was Billy Elliot written by?** Billy Elliot is a 2000 British coming-of-age comedy-drama film directed by Stephen Daldry and written by Lee Hall.

**Why is Billy the Kid Rated R?** Parents need to know that Billy the Kid is full of the racist and sexist characterizations typical of many Westerns, with slurs and expletives flying on the regular. Women are seen fully nude in (fairly tame) sex scenes; a man's bare butt is visible. Characters drink to excess and smoke cigars in grimy saloons.

**Is Billy Elliot a queer film?** Billy is not gay, he just wants to dance. In 1984, and perhaps also in 2000, this was an important message. It's important to tell boys they can explore interests that are coded as feminine and still identify as straight. But the

underlying assumption here is, obviously, that being gay would be bad.

**Did Tom Holland's dog pass away?** On April 21, Tom Holland shared an adorable close-up of his late dog Tessa, captioning the Instagram post, "Missing my lady." On April 7, his dad, Dominic Holland, shared the news of the pup's passing on social media. He revealed that the Staffordshire Bull Terrier passed away earlier this month.

**What are they protesting in Billy Elliot?** The town is in the midst of a bitter coal miners' strike, with picket lines and protests defining the daily landscape. Amidst this tumultuous backdrop, we are introduced to the Elliot family, which consists of young Billy, his older brother Tony, and their widowed father, Jackie.

**Are Tom Holland and Zendaya engaged?** During Zendaya's Challengers press tour, engagement rumours began again but while there's no sign of a proposal, Tom and Zendaya are "the real deal" and more loved-up than ever.

**Who kisses Billy Elliot?** Jackie and Tony, fearing that Billy will be considered a "poof", are outraged at the prospect of him becoming a professional ballet dancer. Over Christmas, Billy's best friend, Michael, kisses him on the cheek. Although Billy is not gay, he is supportive of his friend.

**What does scab mean in Billy Elliot?** A "scab" is a miner who wants to cross the picket line and continue working during a strike. The other miners angrily tell him to leave before the song continues. The miners and community members leave, as Billy and his best friend Michael chat to one another about the strike.

**Does Billy Elliot have a happy ending?** The film climaxes with "a happy ending" of all being together physically in the end. Whereas in the Musical the climax is the success at Electricity. The musical has the Friends, Family, and Community all separated and bereft at the end. I think Lee Hall said he wanted to emphasize the good-byes more.

**What did Elton John have to do with Billy Elliot?** With lyricist Lee Hall, Elton co-wrote the music for the international smash hit stage production Billy Elliot the Musical, and had a personal top-five chart hit in the UK with the song Electricity.

**Who was male dancer at the end of Billy Elliot?** Billy Elliot Final Scene | Swan Lake | #SwanLake #AdamCooper - YouTube.

**Why is Billy Elliot rated R?** Billy Elliot [2000] [R] - 3.3. 10 | Parents' Guide & Review | Kids-In-Mind.com. SEX/NUDITY 3 - While on a bed, a boy leans over a girl while she touches his cheek (he gets up before they kiss). A girl tells a boy that her parents sleep in separate beds and don't have sex, and also mentions her father's infidelity.

**Why is Billy the Kid called Billy?** Henry McCarty was normally just called “The Kid” because of his youth. He had a number of aliases though, including Henry Antrim or Kid Antrim, and William H Bonney (sometimes shortened to Billy Bonney). Billy the Kid comes from the time when he began using the name Billy Bonney after murdering “Windy” Francis Cahill.

**Was Billy the Kid Irish?** Henry McCarty is believed to be born to an Irish immigrant named Catherine McCarty. Although the identity of his father is uncertain, Henry probably lived alone with his mother in the slums of New York City before moving to Indianapolis some time in the next decade.

**Is Billy the Kid a true story?** The MGM+ series Billy the Kid chronicles the mostly true account of the legendary Old West outlaw William H. Bonney. The Western series closely follows the rise and fall of one of the most infamous and murderous figures of the late 1800s set in the frontier-expanding United States.

**What is toxic masculinity in Billy Elliot?** Billy Elliot challenges the pervasive issue of toxic masculinity—a repressed and problematic expression of male identity—that perceives emotional vulnerability and other supposedly “feminine” attributes to dismantle one's status as a “man.” Billy's father endorses the idea of the toxic masculinity by preaching that ...

**Does Billy Elliot have swearing?** Very strong language A lot of swearing and a bit of violence. As this film is based around the Miners Strike, there is a bit of the miners fighting the police officers. I would not recommend this to young children, as both the story and the language is not the best.

**Is Billy Elliot political?** Billy Elliot takes place within the context of the bitter conflict between the British National Union of Miners (NUM) and Margaret Thatcher's neoliberal campaign to close unprofitable coal mines. This historical context is presented to the audience at the onset of the musical.

**What age is Billy Elliot the musical for?** The show is recommended for kids ages 8 and up, but I would rate it PG-13, with an emphasis on the "parental guidance" part.

**Is the Billy Elliot musical for kids?** While it may not be suitable for very young children due to the language and themes, I recommend that lovers of dance, true talent and good theatre get along to see this limited season new production of Billy Elliot The Musical as it tours Australia.

**Is there swearing in Billy Elliot?** There is homophobic remarks but as long as children understand what it means then they will understand the context. Lots of swearing including lots and lots of F words but not unnecessarily. Two boys are kissing and being romantic but it is quite sweet.

**Is the order suitable for 12 year olds?** Then for non-Christian families who don't have as much issue with the magical side of things, I'd still put it at 16+, and I would recommend some sort of supervision, just so you know what your children are seeing, because some of the self harm and ritual sacrifices required for the incantations and spells are quite ...
