Paragraph 2:

submit, as they will be spared destruction.

Paragraph 3:

Question: What are the main arguments presented by the Melians? **Answer:** The Melians argue that they have the right to be independent and that they have done nothing to deserve being conquered. They also point out that the Athenians' claim to justice is hollow, as they have already violated other treaties.

The Melian Dialogue remains a relevant and thought-provoking work that raises fundamental questions about justice, power, and morality in international relations.

"This Voice in My Heart": Healing the Wounds of Genocide, Faith, and Forgiveness

This Voice in My Heart: A Runner's Memoir of Genocide, Faith, and Forgiveness by Gilbert Tuhabonye is a powerful and moving account of the author's experience as a survivor of the Rwandan genocide. Through a series of poignant and deeply personal reflections, Tuhabonye explores the complexities of trauma, loss, and the transformative power of faith and forgiveness.

Q: What inspired you to write "This Voice in My Heart"?

A: I felt compelled to share my story as a testimony to the resilience of the human spirit and to offer hope to others who have suffered unimaginable pain. I wanted to

show that even in the face of such darkness, there can be light and healing.

Q: How did your faith sustain you during the genocide?

A: My faith in God was my anchor during the darkest of days. I drew strength from my prayers and the belief that my life had a purpose beyond the horrors I witnessed. It gave me the courage to forgive and to seek reconciliation.

Q: What role did running play in your recovery?

A: Running became my sanctuary, a way to escape the pain and process my emotions. It allowed me to focus on the present moment and to experience a sense of freedom and accomplishment. It also helped me connect with others who had suffered similar losses.

Q: How have you found forgiveness for those who committed the genocide?

A: Forgiveness has been a long and difficult journey, but it is essential for my own healing. I have come to understand that forgiveness is not about condoning evil but rather about releasing the burden of hatred and seeking a path to reconciliation. I believe that by forgiving, we can break the cycle of violence and create a better future for our communities.

Q: What message do you hope readers will take away from your memoir?

A: I want readers to understand that even in the face of unspeakable tragedy, hope and healing are possible. I hope that my story will inspire others to find courage, resilience, and compassion within themselves. I believe that by sharing our stories and embracing forgiveness, we can create a world where peace and understanding prevail.
