**What is book 3 in hopeless series?** Book 3. All Your Perfects. by Colleen Hoover. 4.03 · 620,890 Ratings · 49,092 Reviews · published 2018 · 84 editions.

**Should I read Hopeless or all your perfects first?** It is so much better if you read Hopeless first. All Your Perfects can be read as a stand-alone, but if you want to read Finding Perfect, Colleen has a specific way for the books to be read for Finding Perfect to make sense: Hopeless, Losing Hope, Finding Cinderella, All Your Perfects, Finding Perfect.

**Is Hopeless by Colleen Hoover worth reading?** The ending of the novel was not expected and it is exactly why I enjoyed the book so much. I would recommend this novel to anybody who enjoys Colleen Hoover's books as well as romance novels. I say: put Hopeless on the top of your list to read.

**How is finding Cinderella related to Hopeless?** This novella is a companion novel to the Hopeless series, but can be read as a standalone. A chance encounter in the dark leads eighteen-year-old Daniel and the girl who stumbles across him to profess their love for each other.

**Does Hopeless have a movie?** Release. Hopeless premiered in the Un Certain Regard section at the 2023 Cannes Film Festival on May 24, 2023.

**Is Hopeless and All Your Perfects connected?** It's a spinoff. That completes the Hopeless series. But then I wrote All Your Perfects, which is completely unrelated to the previous Hopeless series I just mentioned. All your perfects is a standalone and doesn't end in a cliffhanger.

**Are any of Colleen Hoover's books connected?** No, not all Colleen Hoover books are connected. Only the books from the book series are connected and should be read in order.

**What is Colleen Hoover's most popular book?** She has written more than 20 books in just over a decade, and her bestselling novel, It Ends with Us, has sold more than 6 million copies.

**Can a 14 year old read Hopeless?** I don't consider Hopeless YA because it deals with a tough subject and there are a couple of sex scenes in it (honestly, ones I wish I could go back and remove lol) but they aren't very graphic. If you're asking for a child of yours, I would def read it first and then make the decision.

**What are the warnings in Hopeless by Colleen Hoover?**

**What to read after Colleen Hoover Hopeless?**
