Do they still make the Lada Niva? The Lada Niva is one of the world's oldest cars still in production. The first example of the Russian off-roader rolled off the assembly line on 5 April 1977, and some three million largely unchanged cars later, it is still being built and sells reasonably well in its home market.

Strategic Management Questions and Answers

Q1: What is the purpose of strategic management? A1: Strategic management is the process of developing and implementing long-term plans to achieve organizational goals. It helps organizations define their direction, align resources, and respond to external challenges and opportunities.

Q2: What are the key components of a strategic plan? A2: A strategic plan typically includes:

- Mission and vision statements
- Environmental analysis
- SWOT analysis (strengths, weaknesses, opportunities, threats)
- Strategic objectives
- Action plans
- Monitoring and evaluation mechanisms

Q3: Who should be involved in strategic planning? A3: Strategic planning is most effective when it involves a cross-functional team representing various levels of the organization. This ensures diverse perspectives and buy-in from all stakeholders.

Q4: How do organizations monitor and evaluate their strategic plans? A4: Organizations can use performance metrics, such as financial results, market share, and customer satisfaction, to track their progress towards strategic objectives. Regular reviews and adjustments are crucial to ensure alignment with changing market conditions.

Q5: What are the common challenges in strategic management? A5: Some challenges include:

- Uncertainty and volatility in the external environment

- Lack of resources or expertise
- Resistance to change within the organization
- Short-term pressures that conflict with long-term goals
