SPSS 20 for Windows: PSMULA Guide for Dummies

Q1: What is PSMULA in SPSS?

A1: PSMULA is a powerful transformation syntax in SPSS that allows users to perform complex mathematical and statistical operations on data. It enables users to create new variables, modify existing ones, and perform transformations based on complex formulas.

Q2: How do I access PSMULA in SPSS?

A2: PSMULA is accessible through the "Transform" menu in the SPSS data editor. Click on "Transform" > "Compute Variable" to open the syntax window. In the syntax window, you can type your PSMULA commands.

Q3: What are some basic examples of PSMULA syntax?

A3: Here are a few examples of basic PSMULA syntax:

- **COMPUTE new_var = old_var + 5:** Adds 5 to the values of the "old_var" variable and stores the result in the "new_var" variable.
- **RECODE old_var (1=2) (2=1) (ELSE=3):** Recodes the values of "old_var" to replace 1 with 2, 2 with 1, and all other values with 3.
- **IF (old_var > 10) new_var = 1:** Creates a new variable "new_var" that assigns a value of 1 if the values of "old_var" are greater than 10.

Q4: How can I apply PSMULA transformations to multiple variables?

A4: To apply PSMULA transformations to multiple variables, you can use the EXECUTE command. The EXECUTE command allows you to execute a series of PSMULA commands on a specified range of variables.

Q5: Where can I find more information on PSMULA?

A5: IBM provides extensive documentation on PSMULA. Additionally, there are many online resources and tutorials available to help users learn PSMULA syntax. The IBM Knowledge Center is a good starting point for finding more information.

The Boy in the Striped Pajamas Movie Guide

Question 1: What is Bruno's new life in Out-With like?

Answer: Bruno is uprooted from his comfortable home in Berlin to live in Out-With, a secluded area near a concentration camp. He is isolated from his family and friends, and his new life is characterized by loneliness and boredom.

Question 2: Who does Bruno meet on the other side of the fence?

Answer: Bruno befriends Shmuel, a Jewish boy who lives in the concentration camp on the other side of the fence. Despite the barbed wire and guards separating them, Bruno and Shmuel form an unlikely bond based on their shared experiences of isolation.

Question 3: What is the significance of the "striped pajamas"?

Answer: The striped pajamas worn by Shmuel symbolize the horrors of the Holocaust. Bruno, who is initially unaware of the true nature of the camp, gradually comes to understand its sinister purpose as he observes Shmuel's suffering.

Question 4: How does Bruno's friendship with Shmuel end?

Answer: Bruno's father, a high-ranking Nazi official, discovers Bruno's secret friendship with Shmuel. Bruno is ordered to cut off all contact and is threatened with severe punishment if he disobeys. However, Bruno's empathy for Shmuel overrides his fear, and he sneaks into the camp to visit his friend.

Question 5: What is the tragic outcome of the movie?

Answer: During Bruno's final visit to the camp, he and Shmuel are marched to a gas chamber and executed. Bruno's innocence and ignorance are shattered as he realizes the true horrors he was oblivious to. The movie ends with a heartbreaking image of their friendship and the unimaginable suffering of the Holocaust.
