Should human trafficking be considered a form of modern-day slavery? Yes, modern day slavery. What is human trafficking? Two basic forms are: Labor Trafficking: Using force, fraud or coercion to recruit, harbor, transport, obtain or employ a person for labor or services in involuntary servitude, peonage, debt bondage or slavery.

Are we seeing the unseen of human trafficking? Despite being a global concern with various reports that tried to capture the number of trafficked victims worldwide, human trafficking still has many unseen aspects that impose a significant challenge and adds to the global burden in combatting this threat.

Why is modern-day slavery an issue? Modern slavery has been found in many industries, including garment manufacturing, mining, and agriculture, and in many contexts, from private homes to settlements for internally displaced people and refugees. Modern slavery impacts on all of us, from the food we consume to the goods we purchase.

Why is human trafficking an issue today? As both a grave crime and a human rights abuse, it compromises national and economic security, undermines the rule of law, and harms the well-being of individuals and communities everywhere.

What is the difference between modern slavery and human trafficking? Modern slavery includes labour exploitation, sexual exploitation, domestic servitude and criminal exploitation. Human trafficking is defined as arranging or facilitating the

travel of another person with a view to exploitation and includes travel within a country, not just across international borders.

Is human trafficking a controversial issue? In fact, human trafficking is a highly divisive issue, characterized by intense debates.

Why does human trafficking go unnoticed? Human trafficking happens every 11 minutes in America and often goes unnoticed because many domestic victims don't see themselves as victims. Many may feel they have no other option than being controlled by their traffickers to make ends meet or repay debts with little to no access to help or resources.

Why does human trafficking go unreported? Despite growing awareness about this crime, human trafficking continues to go underreported due to its covert nature, misconceptions about its definition, and a lack of awareness about its indicators.

Is human trafficking still a big issue? Estimates show that there are up to 27 million modern day slaves world-wide. According to the Human Trafficking Resource Center, 50% of victims are children; 80% [of those are] women and girls. 70% of female victims are trafficked into the commercial sex trade industry.
