22RC200 65: A Comprehensive User Manual

1. What is the 22RC200 65?

The 22RC200 65 is a versatile and reliable remote control for a wide range of devices, including TVs, DVD players, Blu-ray players, and more. It features a large, easy-to-read display, ergonomic buttons, and a clear menu structure.

2. How do I set up the 22RC200 65?

To set up the remote, follow these steps:

- Insert two AAA batteries (included) into the battery compartment.
- Turn on the device you want to control.
- Hold the "Mode" button for 3 seconds until the display flashes.
- Enter the corresponding device code using the number pad.
- Press the "Enter" button to confirm.

3. How do I use the menu?

The menu allows you to access various settings and functions. To navigate the menu:

- Use the arrow buttons to highlight an option.
- Press the "Enter" button to select the highlighted option.
- Use the "Back" button to return to the previous menu.

4. What are the special functions?

The 22RC200 65 features several special functions, including:

- **Learning** allows you to teach the remote new commands from an original remote control.
- **Macro** combines multiple remote commands into a single sequence.
- **Clone** allows you to copy the settings from another 22RC200 65 remote.

5. Where can I get more information?

For detailed instructions, troubleshooting tips, and additional information, refer to the complete user manual available online or contact the manufacturer's support team.
