Belisarius the last roman general

[Download Complete File](#)

Why was Belisarius called the last of the Romans? It may be because Belisarius came close to reconquering a lot of territory of the original Roman Empire for Justinian I in the 530s-550s. But he was not alone. Narses also fought top reconquer Roman lands for Justinian. Several others are called "the last Roman," including Aetius and Boetius.

Did Belisarius lose a battle? After a setback at Thannurin, he won a battle against the Persians at Dara but was defeated at Callinicum.

What happened to Rome after Belisarius? In 546, Rome was again besieged by Totila, and this time Belisarius was unable to prevent its fall. The city was reoccupied by the Imperials soon after, and Totila had to besiege it again in 549. Despite the city's fall, Totila's triumph was to be brief.

Did Belisarius adopt Theodosius? Belisarius and Antonina had adopted a youth named Theodosius, for whom Antonina conceived an ungovernable passion.

Who is Belisarius' wife? Antonina (Greek: ????????, c. 495 – after 565) was a Byzantine patrikia and wife of the general Belisarius. Her influence over her husband was great; Procopius features her as dominating Belisarius.

Who eventually defeated the Byzantine Empire? Fall of Constantinople, (May 29, 1453), conquest of Constantinople by Sultan Mehmed II of the Ottoman Empire. The dwindling Byzantine Empire came to an end when the Ottomans breached Constantinople's ancient land wall after besieging the city for 55 days.

Who eventually ended the Roman Empire? The fall of Rome was completed in 476, when the German chieftain Odoacer deposed the last Roman emperor of the

West, Romulus Augustulus. The East, always richer and stronger, continued as the Byzantine Empire through the European Middle Ages.

How did the Ostrogoths fall? The lack of a strong heir caused the network of alliances that surrounded the Ostrogothic state to disintegrate: the Visigothic kingdom regained its autonomy under Amalaric, the relations with the Vandals turned increasingly hostile, and the Franks embarked again on expansion, subduing the Thuringians and the ...

Who ruled Rome after the last emperor? In 476, the Germanic barbarian king Odoacer deposed the last emperor of the Western Roman Empire in Italy, Romulus Augustulus, and the Senate sent the imperial insignia to the Eastern Roman Emperor Zeno.

Seizing the White Space: Growth and Renewal through Innovation

What is white space?

White space refers to untapped market opportunities or areas where existing products or services do not fully meet customer needs. It represents growth potential for businesses looking to expand their offerings and cater to unmet demands.

Why is it important to identify and seize white space?

Identifying white space allows businesses to gain a competitive advantage by creating new products, services, or experiences that meet evolving customer expectations. It provides opportunities for innovation, growth, and differentiation in the marketplace.

How can businesses identify white space?

To identify white space, businesses can conduct market research, analyze customer feedback, monitor industry trends, and study competitor offerings. By understanding customer pain points, identifying unmet needs, and spotting gaps in the market, businesses can uncover promising white space opportunities.

What are the benefits of seizing white space?

Seizing white space can lead to increased revenue, market share growth, and enhanced customer satisfaction. It can also help businesses establish a strong brand reputation as an innovator and thought leader. Additionally, it reduces the risk of stagnation and allows businesses to stay ahead of the curve in an ever-changing market.

How can businesses seize white space effectively?

To effectively seize white space, businesses should:

- Conduct thorough market research to validate identified opportunities.
- Develop innovative products or services that meet customer needs.
- Implement a clear go-to-market strategy to launch and promote offerings.
- Monitor market performance and adjust strategies as necessary.

- Continuously explore new white space opportunities for ongoing growth and renewal.
