Unveiling the Storm: A Conversation with Damian Dibben, Keeper of History 1

Q: What is the significance of "The Storm Begins," the first volume in the History Keepers series?

A: "The Storm Begins" sets the stage for an epic journey through a world teetering on the brink of chaos. It introduces the enigmatic History Keepers, guardians of the past and future, and the formidable forces that threaten to unravel their mission.

Q: Tell us about your inspiration for creating the History Keepers universe.

A: I've always been fascinated by ancient mysteries and the power of storytelling. The History Keepers emerged as a way to explore the idea that history is not merely a record of events but an active force that shapes our destiny.

Q: How did you develop the intricate world and characters of "The Storm Begins"?

A: Extensive research and imagination were crucial. I delved into ancient cultures, mythology, and philosophy to craft a believable and immersive setting. The characters evolved organically, each with their own motivations, flaws, and complexities.

Q: What challenges did you face in writing the novel?

A: Balancing the intricate plot, diverse cast, and epic scope was a significant hurdle. Ensuring that each element contributed to the narrative without overwhelming the reader posed a constant challenge.

Q: What do you hope readers will gain from "The Storm Begins"?

A: I hope readers will be captivated by the adventure, question the nature of history, and ultimately delve deeper into the human experience. The History Keepers series is a tapestry of action, mystery, and philosophical exploration, inviting readers to contemplate the consequences of our choices and the enduring power of the past.
