What is the main problem in Blood on the River? In Blood on the River, the main conflict is the fight for the survival of the settlers in Jamestown, Virginia. Young Samuel Collier is the protagonist. The antagonist is not a specific character, but rather the environmental and cultural barriers that cause the colony's failure.

What happened to James in True Blood? Essentially, the reason vampire Grimes left True Blood, forcing the show to recast the character of Kent, was his discomfort with playing a gay character and potentially getting involved in same-sex action.

Was Samuel Collier a real person? Samuel Collier was one of four young boys who arrived in Virginia with the first 104 settlers in 1607. Because he could read and write he served as John Smith's page, rather like a secretary. Samuel survived those

hard early years, unlike many others.

What is the sequel to Blood on the River? Wonderful sequel!!! It is a well written book, full of history, suspense, and plot twists. Elisa Carbone is my students' favorite historical fiction author, and I highly recommend this book (and Blood on the River!). Tyler Howell The book Poison in the Colony by Elise Carbone is an amazing book.

What happened to Captain Smith in Blood on the River? What happened to Captain Smith after he was captured by the natives, according to what he tells the settlers in Chapter 15? He was saved by a little Indian girl who laid her head down over his.

What is a good quote from Blood on the River? "Instead of trying to decipher which of the men are to be trusted and which are not, I have made it simple for myself: Trust no one. It is a philosophy that worked for me in the poorhouse, on the streets of London, and at the orphanage."

What is the prophecy in the Blood on the River? The chapter begins with a prophecy delivered to Chief Powhatan "sometime before the Christian year 1607" (1); it foretells three battles between the Powhatan tribe and a tribe that travels from the Chesapeake Bay. At the end of the third battle, "the Powhatan kingdom will be no more" (1).

Why is it called the Blood River? This river is named after the Battle of Blood River in which Zulu King Dingane was defeated by Andries Pretorius and his men on 16 December 1838. It is said that water turned red from the blood of Zulu men who died here en masse. It was a fight with 464 Boers and over 30,000 amabutho.
